

DISASTER SERVICE CAR SHOWN HERE

Vehicle Owned by Portland
Fire Dept. on Way Back
From California.

The Jay Stevens disaster service car, the first of its kind to be built in the United States, was displayed to Roseburg today morning by a crew from the Portland fire department. The car is being returned to Portland after a demonstration tour to California. It was shown at three conventions of fire chiefs and was displayed at the Golden Gate exposition. The car travelled as far south as San Diego.

The disaster service unit was conceived, built, equipped and donated to the Portland Bureau of Fire by Aaron M. Frank, president of the Meyer and Frank company of Portland, and was named in honor of Jay W. Stevens, an outstanding figure in Portland's fire prevention department and nationally recognized for his ability.

Address: Unit Powerful
The car is designed and equipped to serve in connection with major disasters. It has the strongest public address system in existence. The speaker, which can instantly be raised above the roof of the car, has been heard for a distance of 15 miles. The car has two-way radio communication, and is so equipped that the fire chief, carrying a portable radio set, can have his instructions rebroadcast directly through the powerful speaker on the disaster car. Thus, at large fires, the car can be centrally situated and the chief can direct all apparatus by means of his portable radio set.

The car also carries powerful generating equipment and portable searchlights to provide illumination at any scene of disaster.
Surgery Included
It is fully equipped for all first aid work, and has a field surgery, where, under surgical lights, emergency work can be done in the field. Equipment also is provided for use in water or snow, the car carrying outboard motor, inflatable, skis, toboggans, etc. Included also is a field kitchen and emergency rations.

Travelling with the unit on its present trip is a crew of six men, under the direction of Assistant Chief C. C. Rath.

TOM SIMON LISTED ON U. O. FROSH TEAM

Tom Simon, who for three years was an outstanding end with the Roseburg high school football squad, is a member of the University of Oregon freshman string, it was reported today at Eugene. Simon, who is among the 50 applicants working out under the direction of Coach John Warren, is expected to be in the starting lineup when the frosh open their three-game campaign against the Oregon State team in Portland, Oct. 12.

MYSTERY U-BOAT SIGHTED IN PACIFIC

SAN PEDRO, Calif., Oct. 5. (AP)—The captain of the Calmar liner's freighter Texmar told a story today of having seen an unidentified submarine 300 miles south of here.
Capt. W. F. Gayle said the sub was sighted, heading northward without lights, at 5 p. m. last Monday 15 miles south of San Pedro island.
He recounted how, as he watched, the craft's running lights flashed on. After it passed the freighter, the submarine's lights were extinguished and it disappeared into the darkness.

NOTICE TO ODD FELLOWS

First degree will be conferred Thursday evening, October 5. All members urged to be present. By order of the noble grand.
A. J. Golden, Secretary.
Philatation No. 8, I. O. O. F.
