KIDDIE PLAY OR PARTY STYLE
PATTERN 4277

by Anne Adams

Play-girl or party-girl—here's a cunning style for both sides of your small daughter's life. Anne Adams' Pattern 4277 is simple enough for even a "first-try" seamstress. Isn't the perky, squared-off bodice panel a novel touch? Make one dress in ray plaid or checks; top it with a collar, perhaps in contrast, and have long, full sleeves. Then make a butterfly-gay party style of daintier fabric and use bright binding and bows for a colorful touch. The round neck of the collarless version and the sleeves are sweet trimmed with bows and lace.

Pattern 4277 is available in children's sizes 2, 4, 6, 8 and 10. Size 6, long sleeve version, takes 1 5/8 yards 64 inch fabric; short sleeve version, 2 1/8 yards 35 inch fabric and 1 5/8 yards lace edging.

Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER. Send your order to News-Review, Pattern Dept., Roseburg, Ore.
