

# R. H. S. DEFEATED BY GRANTS PASS, 6-0

### Lone Touchdown Made by Cavemen Comes in Last Minutes of Play.

Despite playing what observers have called their best ball game of the season, Roseburg high school dropped the annual Armistice day battle to Grants Pass high school, 6 to 0, in an evenly fought contest played on Finlay field Saturday before a large holiday crowd. The lone tally came in the closing minutes of the game, the Cavemen scoring on a beautifully executed double-reverse, which completely crossed up the Indian defenders. Barmouth, Grants Pass back, scampered 20 yards to pay dirt, to cross standing up. They failed to convert.

Though the game was a non-conference affair and had no bearing on the standings in the Lane-Clatsop league, it was the fifth loss this season for the locals in six games, the other game ending in a scoreless tie. Final results showed the Indians on the short end of the score but it was a moral victory for Roseburg which entered the game on the short end of the odds and played four quarters head-on football without the services of their coach, Jim Watts, who was called to San Francisco, Friday, because of the sudden death of his father, John Harney directed the play for the Indians.

**Fumbles Frequent**  
Both teams threatened the goal line throughout the contest, but stiff defenses repulsed every thrust. A bad attack of "fumbles" and penalties nullified most every Caveman threat except the final one. Grants Pass took the opening kickoff and staged an immediate drive toward the Indian goal, cracking the line, running the ends and passing for nice rains to go into Indian country. A holding penalty temporarily halted the drive but the Cavemen soon got into high gear again only to fumble on their own 25 where the Indians recovered.

Roseburg vainly tried to score from this point, reaching the 31-yard line on 5-yard gallop by Virg Sanders around end and a 10-yard punt on an attempted pass. A fumble by Nordyke and a recovery by Puckett for the Indians halted the drive as the first quarter ended. Roseburg lacked the punch to score on the final down as the second stanza opened.

Defensively Virg Sanders, Roseburg's 140-pound, triple-threat left half, nipped two definite Cavemen threats in the second period, recovering a fumble on his own 29 for the first and intercepting a pass for the other.

Roseburg made its most serious bid for a score in the third quarter when they reached the Grants Pass 3-yard line, but a holding penalty and a stiffening defense broke up the drive and Byrd's attempted drop kick failed to go through the uprights. A Grants Pass offensive thrust was halted in midfield by Bob Davis, Roseburg end, who recovered a fumble.

The visitors dominated most of the last quarter of the game but could not score, as the Indians mustered up a goal line defense. The Cavemen reached the Indian 5 for a first down but a bad pass from center and a fumble allowed Roseburg to recover on their own 10. Roseburg failed to gain and punted, setting the stage for the final drive for score that meant the ball game.

The Indians are far from discouraged by the loss and will have an opportunity to avenge the setback this coming Friday when they journey to the Caveman city for the final game of the season. Most of the team came out of the contest without serious injuries. Coach Watts is expected back in time to handle the squad for the game.

## DOMINIC DI MAGGIO CLIMBS TO MAJORS

SAN FRANCISCO, Nov. 12.—(AP)—Hospitacled little Dominic DiMaggio, voted the Pacific coast baseball league's most valuable player last season, goes to the American league Boston Red Sox next year—climbing into the majors from San Francisco sand lots just as his two elder brothers did.

Sale of Dominic's contract, along with that of Larry Powell, young left-handed pitcher, was announced by the San Francisco Seals of the Pacific coast league. Powell will report in 1941.

Frank "Lefty" O'Doul, manager of the Seals, said "two cash and two players" from Boston.

"The players will be decided at the major league meeting in Cincinnati December 4," O'Doul said. "I am not at liberty to discuss the cash involved."

## LIEBERUM TOPS GRID SCORERS WITH 102

NEW YORK, Nov. 12.—(AP)—Don Lieberum is still the most potent scorer in college football.

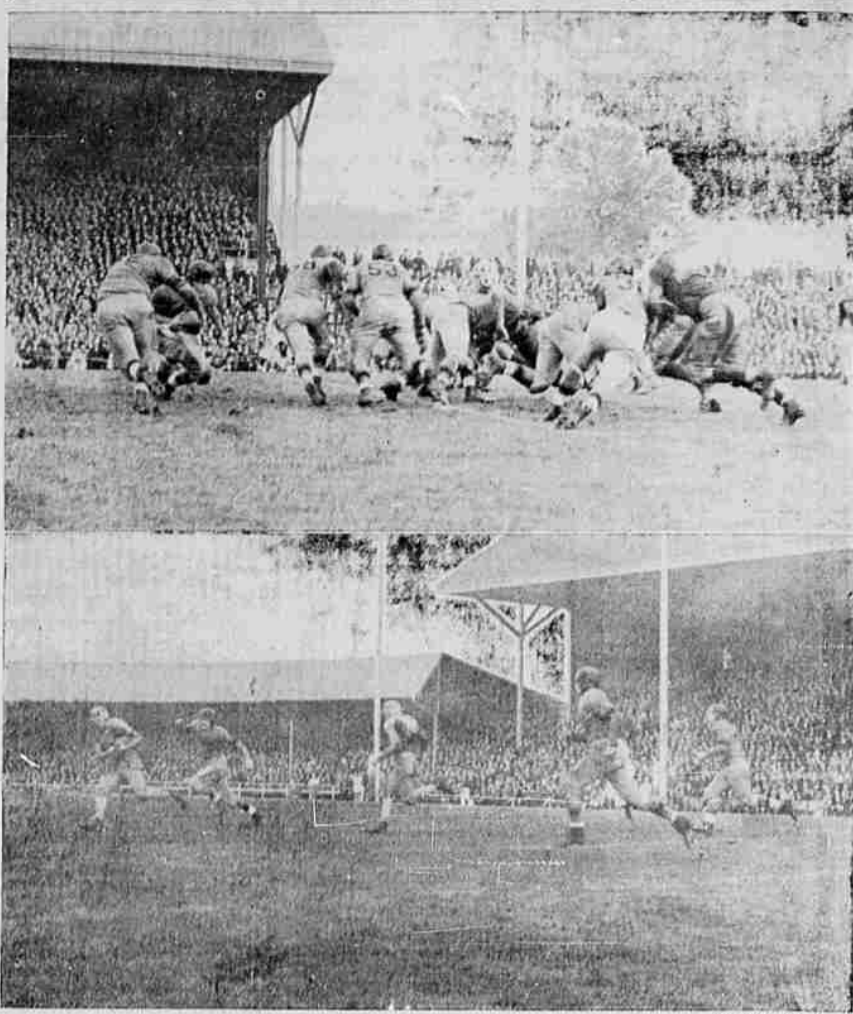

Holding tightly to the lead he has retained most of the season, the Manchester, Ind., captain and quarterback has a total of 102 points—but he'd better not loaf or a Rocky mountain sensation is likely to overtake him.

Coming from nowhere, Lloyd Madden of the Colorado Miners is now in second place with 93 points. A six-touchdown performance as the Miners won the Rock mountain conference title by socking Western State Saturday skyrocketed Madden into the forefront of the scoring leaders.

Ice cream is placed between fine sheets of gold leaf before it is eaten by Indian rajahs.

## Glimpses of Action at U. of O.-O. S. C. Battle

Pictured above are scenes from one of the most sensational football games ever played in Oregon, as Oregon State college defeated University of Oregon and took the Northwest championship on Hayward field at Eugene Saturday by a score of 19 to 14. Upper photograph shows Olson (82) in the Oregon State backfield taking the ball on a reverse from Kieselburgh (49) while Quarterback Peters, (82) Oregon State "Ironman" and Younce (53), right guard, run interference. In lower photograph, Graybeal (80) fleetfoot Oregon halfback, is on his way to a touchdown after taking a long pass from Bob Smith. He is closely pursued by Olson, who, only seconds previously, had run back Oregon's kick-off 83 yards for a touchdown. The touchdowns by Olson for Oregon State and Graybeal for Oregon were made in 78 seconds elapsed time at the beginning of the third period.

## Action in Roseburg-Grants Pass Battle

Hershel Byrd, Indian fullback, pictured at top with the ball, cracked through the Grants Pass heavy forward wall for a nice gain in the second quarter of the traditional Armistice day battle played on Finlay field Saturday. Grants Pass won 6 to 0. Aiding Byrd in his plunge are Ray Puckett (55), end, and Bob Davis (70), end.

Lower picture shows the visitors' winning play. Barmouth, Caveman back, is seen in the Roseburg end zone after completing a 20-yard run off of a double-reverse which completely fooled the Indian defenders. The lone touchdown, coming late in the fourth quarter, broke up a tight, evenly battled game.

## GERMANY TIGHTENS CLOTHES RATIONS

BERLIN, Nov. 12.—(AP)—A new system of stricter clothing rationing was introduced in Germany today, allotting men one suit, one shirt, and five pairs of socks an-

ually. Women are permitted one suit, one morning dress, and six pairs of stockings.

OREGON CITY, Nov. 12.—(AP)—German school children are contributing pennies for the relief of starving Germans in the United States, John Gensheimer said today on his return from Europe.

The 26-year-old Oregon City resident said he was questioned repeatedly about the "subject poverty" which Germans believe

exists in this country. Gensheimer said Germans had an attitude of surprised apathy toward the war, commodities were high, wages low, food scarce, and many professional men and older Germans longed for a return of the monarchy and its greater freedom.

Grapes are believed to be the first fruit cultivated by man. Grape seeds at least 3,000 years old have been found in Egyptian tombs.

## TROJANS BOLSTER ROSE BOWL BID

### Conference Leaders Trim Stanford, 33-0; O. S. C. Beats U. of O., 19-14.

By RUSSELL NEWLAND  
SAN FRANCISCO, Nov. 12.—(AP)—Business slacks off in the far western football market this week-end. The team that almost everybody expects will win the Pacific coast conference title and the Rose Bowl bid—Southern California—skips a Saturday to prepare for the game with Notre Dame in South Bend, Ind., the following week.

Two conference clashes of not much significance and a non-league contest of prime importance head the slate. The non-conference engagement brings together the University of California at Los Angeles and the University of Santa Clara. Eyes of western gridiron followers will be focused on this game. The outcome should further clarify the potential strength of U. C. L. A.—the one team which disputes Southern California's leadership and stands most formidably in its path toward the Rose Bowl.

Southern California tops the circuit because it has played one more game than U. C. L. A., its record including four wins, no losses and a 7-7 tie with Oregon. Other things being equal, they should decide the works December 9, but U. S. C. must win from Washington and U. C. L. A. must defeat Oregon State and Washington State, aside from their non-conference opponents, to arrive at that date without a setback.

In this week's conference encounters California meets Oregon State at Corvallis and Washington State travels to Stanford's home field. One guess is as good as another on how they will fare.

**O. S. C. Victory Costly.**  
California was battered down to sixth place by Washington, whose 13-6 win boosted it to fifth place. Oregon State pounded past Oregon 19-14 but lost five players in the victory. It was a costly win on which California may capitalize.

While Stanford was being smeared by U. S. C., 33 to 0, the Washington State Cougars outlasted Idaho, 21-13. There should be considerable excitement when seventh place W. S. C. meets last place Stanford, Saturday.

Other results last week were: Gonzaga, 23; Montana, 0; Santa Clara, 6; Michigan State, 9; San Jose, 52; Redlands, 6; Fresno, 27; Portland, 13.

## COQUILLE, MEDFORD ADD TO VICTORIES

(Associated Press)  
The status quo wasn't materially disturbed in Oregon high school football last week end. With one exception the challengers for the state title won easily. The exception was Toledo. The Mud-Hens dropped a 7-0 decision to Newport after winning six games in a row.

Coquille and Medford, tentatively matched for Thanksgiving, both continued their victory marches. The Red Devils slaughtered a Coos league rival, Myrtle Point 58-0, and have now won seven games by 19 points or more without being scored on. The Black Tornado (alias Pearplekers) scored four touchdowns in the last quarter against Ashland in a southern Oregon encounter, and won 38-6. It was Medford's seventh victory against one tie in a tough schedule. The Tornado has eddied far and wide this season and Friday will take on another distant rival, Milton-Freewater, at Medford.

Klamath Falls, a slow-starter this season but now one of the state's best, rolled over Bend in their annual scrap, 21-0. Albany lowered the boom on Corvallis, 38-21.

Other scores: Marshfield 0 North

## ST. MARY'S GAELS BEATEN BY FRISCO

SAN FRANCISCO, Nov. 12.—(AP)—It was a gloomy group of St. Mary's football players that was en route to New York City today for the Fordham game Saturday.

The Gael 7 to 0 loss to University of San Francisco yesterday made this one of their most disastrous seasons in 19 years.

The first U.S.F. victory over St. Mary's in 15 years of pluckin rivalry came on a break at the opening of the third period.

Ivan Pivaroff, St. Mary's end, fumbled the kickoff and Right End Telesmanic of U.S.F. pounced on the ball on the Gael 22. Three plays later Fullback Cliff Fick passed to Left Half Nouseoul, who dashed 19 yards to the goal line. Right Half Reid place-kicked the extra point.

Radium gives out enough heat to melt its own weight in ice per hour. It can emit both heat and light for an indefinite period without losing its power.

## O. S. C. WIN COSTLY; FIVE PLAYERS HURT

CORVALLIS, Ore., Nov. 12.—(AP)—Five members of the Oregon State varsity who were injured in the game with the University of Oregon Saturday will be unable to practice this week and some of them may not be able to play against California here next Saturday.

The Beavers defeated Oregon, one defeat. Durian, halfback, sustained a lacerated cheek; M. Koh-19-14, for their sixth victory against ler, half, a badly sprained left thumb; Jim Kieselburgh, fullback, a badly bruised shoulder; Bob Penn and Walt Jelmsa, end, and tackle, respectively, injured knees. Trainer Allan said it would not be known until Thursday whether all of the injured Orangemen would be available for the Bear game.

There's  
**No Great Mystery**  
about Cigarette Tobaccos

THERE ARE FOUR TYPES of tobaccos found in the more popular cigarettes, namely... Bright, Maryland, Burley and Turkish.

ALL THESE TOBACCOS except Turkish (which is bought direct from the planters in Turkey and Greece) and Maryland (which is bought through sealed bids under government supervision) are bought at public auction, just like any other auction where you might have bought in a table or a chair.

AT THE AUCTION SALE the tobacco is piled in baskets weighing from about 100 to 500 pounds and each purchaser buys all of his tobaccos by competitive bidding for the particular piles he wants.

THE CHESTERFIELD BUYERS buy the best of these mild ripe tobaccos for the Chesterfield blend. And it is Chesterfield's Combination... the right amounts of Burley and Bright... just enough Maryland... and just enough Turkish—that makes the big difference between Chesterfield and other cigarettes.

IT IS BECAUSE of this combination that Chesterfields are COOLER, have a BETTER TASTE and are DEFINITELY Milder. They are made of the world's best cigarette tobaccos. You can't buy a better cigarette.

MAKE YOUR NEXT PACK CHESTERFIELD
