POET'S CORNER

The following was printed and illustrated in a volume of verse called Just Cats.

CATALEPTOID

I have a most peculiar cat—
He does not care for mice;
He does not care for liver, or
For cream, however nice.

He never has been known to purr,
Or chase a ball of string;
He doesn't even wash his face—
The queer, untidy thing!

All day he sleeps upon his paws;
At night he sleeps some more.
For he is made of plaster, and
He guards my bedroom door.

Without Calomel—And You'll Jump Out of Bed in the Morning! The liver should pour out two pounds of fluid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sick and the world looks pink. A new bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get that two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Refuse anything else. At all drug stores. 10¢ and 25¢.
