

Alumni Quintet Defeats Indians

Annual Game Decided in Final Five Seconds, 34 to 32, on Free Throw by Hatfield.

By MAYNARD BELL. The "Has Beens" were just a nite too clever, or perhaps a bit too lucky, for Coach Jim Watts' up-and-coming youngsters at Roseburg senior high last night and the Alumni tossed out a fighting Indian basketball team 34 to 32, in the annual traditional battle. The game was a terrific affair from the opening whistle, and by their victory the former hoop satellites avenged the loss of a thriller, 40 to 34, just a year ago.

This season's Alumni quintet was one of the most potent aggregations banded together in quite some time. Three members of last year's five—Pete Laurance, George Sanders and "Chub" Church—were the spearheads in a driving attack on the Indian basket, which finally brought them a much-deserved win. The Alumni led most of the way, taking a 15-to-9 edge at the quarter, 27-15 at the lead of the half, and at half time, but were behind for the first time in the contest, 25-25, at the third-quarter mark.

V. Sanders tops scorers. Individual scoring honors went to Virgil Sanders, veteran guard, who posted 15 points before being forced out of the contest on personals with three minutes to go in the third period. Sanders turned in the outstanding performance of the evening, especially so on the free throw lane where he sank seven straight gift tosses out of eight awarded. Lavall Baker, Sanders' teammate at guard, was runner-up with 10 markers, most of them on beautiful long shots. Laurance was high for the Alumni with nine follows by George Sanders, who garnered eight and Church, who tallied six.

After being behind seven points at the half, the Indians came back with a vengeance to tie the score and go ahead for the first and only time of the game early in the third. Virgil started off by converting his seventh foul shot, then sank a crumpled cut, the lead three points. Baker came through with a 30-footer down the middle to make it 21-23, then tied it up at 23-all by downing two charity tosses. Little "Al" Atterbury put the Redskins into the lead by converting a foul shot. The "Bees" made it 25-23 by sinking a set-up, then Atterbury sank another foul to make it 27-23 with two minutes to go. All this time the Alumni had failed to score a point. Bob Dishman broke the ice by sinking a foul, but Baker came back with a long one from the side to make the score 29-21. Church hit a foul last before the period ended, making it 29-25.

Free Throw Decides Game. The last quarter was bitter fought with the Alumni striking back to score four field goals and a foul, while holding the Indians to one field goal and a free throw. Laurance hit one from way out, then Harry Henry tied the score at 29-all with a short one and "Tab" Pemberton put the Alumni into the lead with a crumpled Laurance hit another then Baker connected to make it 33-31 with a foul. The Alumni led 34-32 at the end of the game, but the Indians tried gamely, but the best they could do was to add a foul shot by Atterbury as the battle ended.

The Alumni used 11 men against the Watsons, substituting freely, which allowed the game to continue at a fast clip. Roseburg was weakened by the absence of Earl Ward from the lineup. Church kept the Alumni in the game throughout by some beautiful relieving of rebounds off the backboard. Outside of the fact that the Indians were off in their shooting and turned in some ragged ball handling, at times the game was well-played. Outstanding work on the free-throw lane was the highlight of the contest. Roseburg sinking 14 out of 17 gift shots awarded. The Alumni made eight out of 17. The game was rough, 28 fouls were whistled down—19 on Roseburg, 13 on the Alumni.

Junior Quint Bills Corvallis Team

The Roseburg junior high school basketball team, in an unusual arrangement, will demonstrate its ability in broad daylight when it meets a strong quintet from Corvallis on the local floor tomorrow afternoon at 2:30 o'clock. The Corvallis contingent requested that the game be played in daylight to enable the crowd to return home at an early hour. Later in the season Roseburg will play a return game under the same conditions. Friday's contest will be the second for the Papeoses this season, the first having ended in a 25-12 victory for the locals over the Oakland high school B squad. The current Papeose team is composed entirely of reserves from last year's squad and several new youngsters. One letterman, Schrimpf, is a holdover but ineligible to play until after this game. The little Indians demonstrated a great deal of promise in their first competition. The squad is leg-an-sneel, aggressiveness and defensive ability but at the present time short on experience, teamwork and height. Coach Hot Turner will probably start "Babe" Winberry and

Lapham Bowlers, Elks Lodge Win

Two bowling matches attracted much interest at the Roseburg Recreation and Bowling hall last night, as Lapham defeated Copco No. 2, 2081 to 1734, and the Elks lodge team won from the Elk clubbers, 1952 to 1882. Waldo Campbell on the Lapham team took high honors with an individual score of 199 and a series score of 499, while in the contest between the two lodge groups, Herb Anholt won tops on individual score, 179, and series score, 467.

Riddle High Five Trims Canyonville

Riddle high school entered the win column in league play Tuesday evening by dropping Canyonville, 24-15, at Riddle. The Irish, harassed and hampered by colds and lack of practice for some two weeks, were away off in limiting shooting and other vital game fundamentals. In the preliminary contest, the "Super Varsity" triumphed over a conglomerate quintet of Canyonville graduate school players and high school reserves by a score of 28-22.

Oregon State Hoopsters Defeat Brigham Young

TWIN FALLS, Idaho, Dec. 21.—(AP)—Oregon State won the first game of a two-game exhibition series with Brigham Young University here last night 57-33. Forward Paul Valenti scored 15 points in the 15 minutes he played for Oregon State. The teams meet here again tonight. The Hoopers called a 7-0 lead at the start and pushed it to 11 to 3 in the first five minutes. Brigham Young loped in five points before Oregon State scored again, but after that the Pacific coast conference combination had little difficulty.

Spite Gifts Laid to Bad Psychology

CHICAGO, Dec. 21.—(AP)—There's a reason why police give those "nightmare" neckties for Christmas. It's the same reason, a psychological one, which impels friends or relatives to give you caramels when they know they'll plague your false teeth, or prompts housewife girls to give particularly nauseous perfumes to beauties. Dr. Robert N. McMurry, psychologist on the staff of the Chicago Central Y. M. C. A. college, said today that "unconscious hostile impulses" were partly to blame for the giving of gifts not always appreciated. "All too often," he explained, "the object of respect, admiration and even love is also the object of envy, rivalry, fear and hatred. The only difference is that the respect, admiration and love are conscious, while the less admirable sentiments, being regarded as ignoble, have been repressed, put out of mind, buried in the limbo of the unconscious. "But these hostile, aggressive im-

Ouster of Two On NLRB Demanded

WASHINGTON, Dec. 21.—(AP)—Rep. Ramspeck (D-Ga.), called today for the resignations of J. Warren Madden and Edwin S. Smith from the national labor relations board, and also proposed two major amendments to the Wagner labor act. Ramspeck, ranking democrat on the house labor committee, told reporters if Madden and Smith did not resign, congress should abolish the present three-man board and create a new one. William M. Lebersson is the third member. "Madden and Smith, especially Smith, in my opinion have not carried out the will of congress even though they have tried to do an honest job," Ramspeck said. "They seem to have the opinion down at the board that the act was created so they could help unions organize, rather than so that the right of a man to join a union could be legally protected. He advocated these changes in the Wagner act: Protection for small unions "which the board has permitted a larger union to take over in some instances." Formal assurances employers will have the same right to ask for a collective bargaining election as their workers. Last summer the board changed its regulations to permit employers to ask for election, but Ramspeck said that permission should be placed in the law itself "so the board won't be able to change its mind again."

Reindeer Roundup Ready to Start

ANCHORAGE, Alaska, Dec. 21.—(AP)—Saint Nick's immortal Donner and Blitzen team is playing second fiddle in the Alaskan reindeer picture this Christmastide. Uncle Sam has taken over the whip-hand. Charles J. Burdick, special representative of the department of interior, was scheduled to fly to Nome today to set up the organization for the greatest reindeer roundup in northland history. His mission will be to spend \$750,000 for all the animals owned by non-Eskimos. The purpose of the government action is to establish a herding program for the natives. Burdick said he expected his crew to stage 50 gigantic roundups over 168,000 square miles during January. The roundups will offer the strange combination of modern science—exemplified by radio and airplane—linked with dog teams and the Eskimos' native resourcefulness. While 10 radio-equipped roundup bosses direct the ground work in different sectors, Burdick will scurry between sectors by airplane, directing activities with his two-way radio. In this land of winter darkness, the work will be done by moonlight to the baying of wolf packs across the snow. When there is no moon, there will be no work. Wolves are expected to be a menace only in the far northwestern Kotzebue area, where herders must keep a constant guard over their herds. The roundups will be for counting and division of the unbranded animals, expected to be about two-thirds of the total, among the various owners on a pro-rata basis.

Labor Official Opposes Justice Dept. for Oregon

PORTLAND, Dec. 21.—(AP)—A proposal to create a state department of justice was opposed today by D. E. Nickerson, executive secretary of the Oregon State Federation of Labor. "It is apparent to us that the goal is to create an all-powerful official and that a possible aim is to take selection of this official away from citizens of the state," he wrote to Hugh A. Scott, executive secretary of the Portland City club. The letter said the proposal was being studied by committees of the City club and the State Bar association. "It does not take much imagination," he wrote, "to see that a governor vested with the power to select an attorney general, who would direct all prosecutions, activities of the state police, the parole board, sheriffs and district attorneys... could be a director in more than a small way."
