POET'S CORNER

OUR CHRISTMAS

By Maifinda Oederkirk.
Yuletide spirit in the air,
Joyful greetings everywhere,
Twinkling lights on tinelled trees,
And tinkling bells on winter breezes,
Holly leaves and berries bright,
And striped candy, red and white,
Pop-corn strings on twigs of green,
Icicles with silver sheen,
Sparkling stars and apples red,
Many little tinsel bells,
All these things combine to say
That this is our Christmas Day.

And listening to the music sweet,
We hear the angel voice repeat
The words of peace and joy and love,
While Heaven's choir sings from above.
