Today's Pattern

4368
FROCK WITH SCALLOPED NECKLINE
PATTERN 4368

by Anne Adams

Here's a gay deceiver in a slimming housefrock. From the back approach, Anne Adams' Pattern 4368 looks like a trim two-piece style with a scalloped-edged jacket. But closer inspection reveals that the scallops simply end the long bodice, and continue around to either side-front in a decorative, slenderizing hipline. The center-front panel of the bodice forms one piece with the skirt—so easy to cut and stitch. And more scallops may appear at collar and cuffs, which look refreshing in contrast. Another attractive version shows the neckline cut into a becoming square, with pretty ruffling at both neck and sleeves.

Pattern 4368 is available in women's sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 takes 3 1/2 yards 35 inch fabric and 3 yard contrast.

Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly: SIZE, NAME, ADDRESS and STYLE NUMBER. Send your order to News-Review, Pattern Dept., Roseburg, Ore.
