Opportunity Begs

NORMAN, Okla.—Ellis county needs a prosecutor so badly it's begging for one.

Wrote a member of the county's democratic central committee to the Oklahoma University law school:

"Neither of the political parties have a man who will be a candidate for the office. . . . Perhaps you may have a young graduate that might wish to come to our

county and engage in practice with the view of being a candidate. . . . Times must be better. There were no takers.
