Glendale Pirates Walk Plank in 38-9 Contest; Indians Click in Flashy Style.

The Roseburg high school basketball team, for the second time this season, swamped Glendale, Douglas county B league competitor, 38 to 9, in an easy game played Tuesday evening on the Pirate floor. The Indians had previously defeated the Pirates here, 56 to 4. Coach Jim Watts' crew had a half-time margin of 29 to 3.

The Indian regulars of Finlay, Puckett, Ward, Baker and Sanders opened the contest and ran over, under and around their smaller opponents to run up a 15-0 lead at the end of the first quarter and then handed the contest over to the reserves and third string players who carried on in sterling fashion for most of the remaining three periods.

Coach Watts was content to let his reserves gain much-needed experience against the Pirates and eight additional men besides the starters saw action. Nine of the 12 players who saw action entered the scoring columns, but it was two veterans, Earl Ward and Virgil Sanders, who garnered high point honors, tying with eight markers each. W. Jones of Glendale was runner-up with seven.

Pirates Outclassed

The Pirates were never, at any time, able to fathom the Indians' almost impenetrable defense despite the fact that they were playing in familiar surroundings. One field goal and a foul was the sum of their efforts in the first half and three goals was the total for the final half, two of them by the aforementioned Jones. In the game here at Roseburg, Glendale failed to tally a point in three quarters of play and made but one goal and two foul conversions in the final stanza.

Last night's contest was unusually clean and well-played. Roseburg had but seven fouls called on them and Glendale had 11 and lost two players via the four personal route—W. Jones and J. Jones.

The Indians were clicking nicely in this contest and Coach Watts indicated that the squad would now buckle down for two more games this week, the first against Coquille high school, there Friday, and the second against University high school of Eugene, here, Saturday, in an effort to garner two more victories.

"Porkchops" Brime

One of the most unusual and daffiest basketball teams ever to strut their stuff on a maple court is the Broadway Clowns, traveling negro quintet from Harlem, New York, has been billed to appear on the local senior high court, Thursday, February 8, against an organization of Roseburg hoop stars, "Porkchops" Brime, pictured above, member of the Clowns, is one of the ace performers who feature dazzling passes, unbelievable ball handling, clownish antics, against all competition. A laugh riot from start to finish, the Broadway Clowns, have played before capacity crowds everywhere.

Rival Clown Quints Battle Tomorrow

Local basketball fans are eagerly awaiting tomorrow evening's feature hoop attraction of the season which brings together the much-publicized Broadway Clowns of Harlem, New York, globe-trotting negro ace quintet, and the Cass Street Clowns, an aggregation of stellar hoop talent from Roseburg and vicinity.

The Broadway Clowns, besides being a great collection of individual basketball talent selected from the best the east has to offer, are reported to be the champion buffoons of the maple court, specializing in dazzling passes, unbelievable ball handling, clownish antics, against all competition. A laugh riot from start to finish, the Broadway Clowns, have played before capacity crowds everywhere.

The Clowns have been touring the country for five years and have consistently played before packed houses wherever billed. Press reports have tabbed them as being the greatest basketball show ever presented. Every member of the organization besides being a great showman, boasts talent and ability, and together, they play a lot of basketball, because unless they are winning, there is no time for clowning, and clowning is the essence of their drawing power from year to year.

The local opposition is the best this district can offer. Leading the array of hoop satellites are Jim Watts, coach of senior high school and Cliff Horner, coach at Sutherlin high. Both are ex-University of Oregon players and their court ability is well known. The remaining players are former Roseburg high school stars and include Ray Morgan, Chub Church, Phil Lawrence, Harry Henry, Fred Dent, Ivan Hatfield and several others.

DAILY DEVOTIONS

DR. CHAS. A. EDWARDS

A new reading of the words of Jesus brings with it this deep conviction: What He did for others He can do for you and me today. Jesus did not spend His time at feasts and rich men's homes, but down at the sheep gate, down in the lower sections of the city's life, down by the contaminated waters of the pool around which lay a great multitude of sick people, blind, halt, withered waiting. What a pathos there is in that word waiting. It is a correct and revealing picture of our own present world. Still waiting for a cure of its ills in some blind, mysterious, superstitious way, when Jesus, the Christ is available; still trying this and that false human potion when it might touch Him and be touched by Him; that is our world today. When it might have the living fountain of waters. Such are the people of our world, satisfied with the unreal and casting aside the real life of Christ, Amen.

U. S. to Ease Duty On Italian Silk

WASHINGTON, Feb. 7.—(AP)—The United States has taken a step toward improving relations with Italy, officials said today, by agreeing to remove penalty tariff duties from Italian silk.

The penalties were imposed last August 12, but since Italy recently modified its purported subsidies on the product, the treasury has reconsidered its action. The treasury is said to have approved, in principle, the cancellation of the duties, and is expected to announce the decision as soon as various formalities are completed.

Although Italian silk shipments to this country never were very large—amounting to only \$3,349,000 in 1938 and less in 1939—the penalty, or countervailing, duties were resented by Italy, and the state department was reported to have been anxious for adjustment of the dispute.

The countervailing duties were levied originally under the theory that the Italian government was subsidizing its silk exporters to enable them to compete here. Under the tariff laws, the treasury imposed extra duties on Italian silk equal to the amounts of the alleged subsidies. When the special duties are cancelled, it will be on the theory that Italy has withdrawn the subsidies.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning! Rin' in to Go

The liver should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Gas builds up your stomach. You get constipated. You feel sour, sick and the world looks pink.

It takes those good, old Carter's Little Liver Pills to get these two pints of bile flowing freely to make you feel "up and up." Amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. 10¢ and 25¢. Stubbornly refuse anything else.

Myrtle Creek High Downs Days Creek

Myrtle Creek high school made a strong bid for recognition as a potential champion in the coming Douglas county B league basketball tournament by overwhelming Days Creek high school, 45 to 19, in a southern division contest played Friday in the winner's gym.

Myrtle Creek was never threatened. The Vikings scored 12 straight points before the Days Creek cagers potted their first goal and led, 15 to 7, at the quarter, 22 to 11 at half-time, and 40 to 14, at the start of the final period. Russ Viking forward, was high scorer for the evening with 16. Wayd was high for the losers with 12.

In a preliminary volleyball game, the powerful Days Creek team ran roughshod over Myrtle Creek in a final half to win point away, 22 to 11, after being held to an 8-6 first half lead.

U. S. Army Full Up; Strength 227,000

WASHINGTON, Feb. 6.—(AP)—If you want to join the U. S. army you've got to find some soldier whose time is up and who isn't re-enlisting. The biggest peace-time recruiting drive the army ever put on is over—a complete success, nearly six months ahead of schedule.

Beginning last July, the army had to jump its enlisted strength from 165,000 to 227,000. It also had to enlist nearly 10,000 more men to fill vacancies due to expiration of enlistments.

It started on Bushing by next July. Actually, the job is done now.

All of this is a big feather in the brass hat of Maj. H. N. Gilbert, who handles recruiting details in the adjutant general's office. Early in November, Major Gilbert was asked what the army's enlisted strength would be by the end of 1939.

He figured a bit, and then allowed it would be 227,000. When they checked up at the end of the year, they found it was 227,000. "They're still trying to dope out how he did it."

Recent stories said the campaign was "way behind." As a matter of fact, it was so far ahead the army could have gone far above 227,000 if that had been necessary.

Battle in China Enters Ninth Day

HONGKONG, Feb. 6.—(AP)—The Japanese invasion of China rounded its 31st month today with the rival armies in southern provinces of Kwangsi locked in a bitter battle which both sides indicated was one of the greatest of the war.

The Japanese said that in the new nine-day-old battle they had cut off the westward flight of 50,000 Chinese and killed 8,000 and captured 1,000. Chinese regulars in the vicinity of Wunshing, 70 miles east of the provincial capital, Nanning, is one which the Chinese said yesterday they had retaken from the Japanese.

Booby seized from the Chinese in the Wunshing neighborhood, the Japanese said, included 17 tanks, 150 heavy machineguns, 1,018 light machine guns, 12 trench mortars and 799 rifles. The Japanese reported using the captured tanks to chase disordered Chinese forces.

The westward flight of 50,000 Chinese, by thinking movement Chinese was cut off, the Japanese in which the Japanese right wing reached the key town of Shang-tin, 55 miles north of Nanning and 20 miles northwest of Pinyang.

Inland Empire Soaked; Traffic Chaos Follows

SPOKANE, Feb. 6.—(AP)—More rain fell over the inland empire in the last 24 hours than in the entire month of January, the Spokane weather bureau reported this morning.

The precipitation in Spokane was 1.95 inches the first month of the year, and 1.10 inches since noon Monday.

The bureau said their reports indicated the rain was general and just as heavy all over Washington, north Idaho and most of Oregon, covering all of the wheat territory of the three states.

But while wheat farmers welcomed the deluge for their dried-out fields, Spokane city and county officials saw only trouble in the heavy downpour.

Scores of householders here called for help with their flooded basements, several automobiles tipped over as the water ran curb deep in places and one county road bridge was reported washed out in the northern part of the county.

Oregon Gasoline Taxes in 1939 Set New Record

SALEM, Feb. 6.—(AP)—Gasoline taxes paid in Oregon during 1939 set an all-time peak of \$12,428,000, exceeding the 1938 total by about \$700,000, Secretary of State Earl Snull said yesterday.

Since Oregon enacted the first gasoline tax law in 1919, the tax has yielded \$117,387,051.

Paposes Set For Ashland Quintet

Coach Hill Turner's Paposes quintet, still smarting from the stunning defeat Ashland junior high school administered on the visitors' floor, two weeks ago, is making advance preparations to turn the tables on the Grizzly Pups when the two teams clash on the local maple court this coming Friday evening in the final home game of the season for Roseburg.

Roseburg lost to Ashland, 26 to 26, in its poorest showing of the season, due principally to the fact that the little Indians lost the services of their big center, Gerald Denny, in the opening quarter of play, when he was injured in a collision with an Ashland player while diving for a loose ball. Denny was unable to return to the contest and his loss was as severe a blow to the Blue and Gold youngsters that they never quite recovered from the shock.

The season's record for Turner's crew now stands at the 50th per cent mark, with three victories and three defeats. A victory over the Grizzly Pups would give the local youngsters no worse than an even break for this year's schedule and with better than an even chance that they could host the match to a percentage of 600, providing they defeat Corvallis in the final game of the season. Roseburg already holds a win over Corvallis, defeating them here, 24 to 15.

School District Funds For 4-H Scholarships Taboo

SALEM, Feb. 6.—(AP)—County school boards have no authority to set aside funds to pay 4-H club scholarships for the summer school which is held in Corvallis, the state torney general ruled for the state department of public instruction.

He held that the 4-H club summer school is not an essential or integral part of the public school of any particular district.

Real Estate Fizzle

REESTURGH, Mrs. Anna Ballant Winkler, 24, seeking a divorce 58 days after her wedding, told Judge Misnamino she got married at the end of a two-day courtship because her husband offered "the world with a fence around it."

Judge Misnamino took her plea under advisement, suggesting that she "get a good" before accepting such a promise again.

The Danmore Hotel Meets the Motor Courts in Price and Service

Mr. Ray Clark, formerly associated with Mr. William Weaver in the Unipqua hotel of Roseburg understands the thoughts of those who wish to stop at hotels... but many have come to motor courts because they can cut the overhead by doing so... this fact has caused the manager of the Danmore hotel in Portland, Oregon, to arrange his rates and service so they are on a par with better service than any motor court near Portland. Two people may have a room and bath at the Danmore for as low as \$2.50 per night or a room without bath for \$2.00 per night and this rate includes the use of a private car in their fireproof garage, that is free. Mr. Clark explained this new policy by saying as well our rooms at motor courts rates plus 100 per cent 24 hour a day hotel service. The Danmore also has special arrangements for families a family of four, two adults and two children, may have two rooms with bath for \$4.00 per day... the same arrangement for four adults would be \$1.50 per day... stop at the Danmore while in Portland and slap old-man over head in the face... the Danmore is on 12th and S. W. Morrison street.

Centuries ago—

the monks discovered that a certain type of water made better beer

In 1895 Leopold Schmidt discovered an equally superior brewing water in the subterranean springs of Tumwater!

It is widely recognized by scientists and master brewers that one of the most important factors in making good beer is the quality of the water. In the words of one international expert: "Of course, beer—even beer that is salable as well as palatable—may be made from any brewing water. But in a majority of cases such beer is not a really perfect beer or beer that would find favor with impartial judging experts whose standard is excellence."

"It's the Water" has a definite meaning which, combined with brewing skill, premium quality grains and hops, and "One of America's Exceptional Breweries", gives Olympia its clean taste and rare good flavor.

"It's the Water"

—that makes Olympia Beer Different and Better!
