Today's Pattern

GIRL-STYLE IS GAY. YOUNG PATTERN 4387

by Anne Adams

A perfect cure for spring fever is this very dainty, feminine dress, Anne Adams' Pattern 4387. The wide waist-girdle with its twin peaks cinches your midriff to smart fragility. The easy two-piece skirt has a saucy flare. And notice the soft gathering at the shoulders and above the waist-band. Have long or short, gathered sleeves and use a plain or bright ribbon belt. As to the neck style, suit your own type. A prim little collar with a ribbon bow and lace edging looks demure. But perhaps you prefer the young square neck with flower and lace trim, or the round neck with its big, crisp bow. Both the collar and bow are gay made in contrast.

Pattern 4387 is available in misses' sizes 12, 14, 16, 18 and 20. Size 16 takes 3 1/2 yards 35 inch fabric and 2 yards ribbon. Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER. Send your order to News-Review, Pattern Dept., Roseburg, Ore.
