Today's Pattern

FROCK
PATTERN 4390

by Anne Adams

When that Spring feeling "goes to your head," follow your heart and make a new frock! Anne Adams' beguiling Pattern 4390 is just the thing. First of all, its wide waistband gives a smart, whitened-water look. The front point of the girdle curves gracefully into a center skirt seam, while a panel falls the back skirt. The softly bloused bodice, neatly darted above the waistband, has a full-length panel which you may edge with lace and how trim. See the new and charming neckline. Aren't the sleeves attractive with ruffle-trimmed tucks? You might strikingly contrast the bodice and skirt.

Pattern 4390 is available in misses' and women's sizes 12, 14, 16, 18, 20, 22, 24, 26, 28 and 30. Size 16 takes 3 3/4 yards 35 inch fabric and 2 yards lace edging.

Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER.

Send your order to News-Review, Pattern Dept., Roseburg, Ore.
