Today's Pattern

YOKED DRESS IS SLIMMING. GAY PATTERN 4326

by Anne Adams

A golden rule of fashion is: "Dress to match your spirit as well as your size." Anne Adams nicely combines both features in her young-at-heart dress for matronly women, Pattern 4326. Panels at the front and back skirt give slim lines, while all-around darts above the waistline, and fullness below the yoke, concentrate softness just where you need it without spoiling your bodice silhouette. See how the back yoke is gracefully curved. The front yoke has merry scallops and so have the trim sleeve bands. For colorful dash, let both the sleeve-bands and yokes be in vivid contrast. Or, if you prefer, make the sleeves in comfortable, homey flares, a "must-have" spring frock!

Pattern 4326 is available in women's sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 takes 2 7/8 yards 35 inch fabric. Send FIFTEEN CENTS (15c) in color for this Anne Adams pattern. Write plainly: SIZE, NAME, ADDRESS and STREET NUMBER. Capture SPRING ENCHANTMENT with a wardrobe selected from our ANNE ADAMS SPRING PATTERN BOOK. It interprets the ray and lovely new styles in colorful clothes for tots, teens and twenties... slim-line dresses for the business girl... smart frocks for the woman-past-forty... an exquisite costume for the bride and appealing new fashions in prints and cottons... all available in over-to-sew patterns. BOOK FIFTEEN CENTS. PATTERN FIFTEEN CENTS. BOOK AND PATTERN TOGETHER, TWENTY-FIVE CENTS. Send your order to News-Review, Pattern Department, Roseburg, Ore.
