Today's Pattern

4409
SOFT YOKED DRESS WITH JACKET
PATTERN 4409

by Anne Adams

"Tis the season for little jacket-dresses—so smart for both indoor and street wear. Anne Adams' Pattern 4409 brings over with youthful spirit. The necklines of both jacket and dress shown high and round, may be sweetheart shaped, too. The soft frock highlights a wide waist-girdle that's becomingly curved on top. See how nicely the deep yoke follows the line of the girdle and holds flattering softness below. Add ruffle or fancy braid edging if you like or fancy trim. The jacket, with its trim tailoring, may be of the dress fabric. A nice novel idea is to let the skirt and waistband match the jacket. Or have just the jacket in contrast—guardman's red wool is very new! Pattern 4409 is available in misses' sizes 12, 14, 16, 18 and 20. Size 16, entire ensemble, takes 54 yards 39 inch fabric.

Send FIFTEEN CENTS (15c) in coin for this Anne Adams pattern. Write plainly: SIZE, NAME, ADDRESS and STYLE NUMBER. Send your order to: News-Review, Pattern Department, Roseburg, Or.

POET'S CORNER

A LONG, LONG TIME

I stood there and waited
For you a long, long time,
Where the water poured
Over the rocks,
Like a muffled chime.

Then ran away
And farther down
Flowed in a river bed;
And I could hear
Its murmur,
Like a gentle voice,
Far—far ahead.

—By G. M. Leeper.

DEAR ROSE

Of all the flowers
That bloom, dear rose,
You hold for me
More beauty than all the rest;
And when words fail
I find your answer best.

—By G. W. Leeper.
