Farley Still Mum On 3rd Term Issue

WASHINGTON, March 28.—(AP)—Viewing President Roosevelt's victory in the Maine democratic convention as another sign that he can win renomination if he wants it, capital politicians showed particular interest today in the designation of James A. Farley as Maine's second choice.

The action, however, failed to shed any further light on Farley's attitude toward a third term. Just as Massachusetts democratic leaders have favored his nomination should the president decline to run, so did the Maine convention pledge him 10 votes in such a contingency.

Selection of the Maine delegates raised to 24 the number chosen so far for the democratic national convention at Chicago July 15.

All are pledged to Mr. Roosevelt, but with strong Farley sentiment predominating if the president is not a candidate. Alaska has chosen six delegates and New Hampshire eight. There will be 1,100 votes in the convention.

Out of their 1,000 delegates, republicans have selected 44, divided among Thomas E. Dewey of New York, Senator Robert Taft of Ohio, Publisher Frank Gannett, and uninstructed. Eight of the latter are favorable to Senator Styles Bridges of New Hampshire.

Senator Pepper (D., Fla.), a third term advocate, said the Maine pledge to Mr. Roosevelt was an "indication of the general sentiment of the country."
