Today's Pattern

BECOMING "CASUAL-WEAR" STYLE PATTERN 4416

by Anne Adams

This casual, light-hearted dress knows its way around the spring and summer fashion scenes. Anne Adams has given Pattern 4416 marvellously soft, becoming lines. The pointed yokes form the sides of the young neckline and are attractive with button-trim. There's a smart panel down the front of the nicely flared skirt, and the puffed sleeves are finished with scalloped bands. Both the yokes and the sleeve-bands look dramatic in contrast. See the very easy, flattering bodice; the softness of the wide sash that ties in back. You might make the front bodice, skirt panel, yokes and sleevebands on the bias for a striking effect in a checked fabric. Pattern 4416 is available in misses' and women's sizes 14, 16, 18, 20, 22, 24, 26, 28, 30 and 32. Size 16 takes 3 1/2 yards 35 inch fabric. Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER. Send your order to News-Review, Pattern Dept., Roseburg, Ore.

POET'S CORNER

IN THE SAME OLD WAY The slope of the hills Are much the same, When the sun comes up With a morning flame. And the skyline west Holds quite the same view. And the sun sets there Like it used to do. And as you turn and look For the morning sun, The view is the same As the old, old one. And when the wind at evening Makes the trees top away, It is the same old place In the same old way. —G. M. Leeper I WOULD NOT I would not let The pretty things That wrongly speak Turn from me One rare moment As it passes Kind and meek. —G. M. Leeper
