Today's Pattern

DEMURE SHIRTWAIST AND SKIRT
PATTERN 4418

by Anne Adams

Don't you love the Gibson-girl air of this blouse and skirt style, Anne Adams' Pattern 4418? The appealing lingerie blouse has a round, baby neckline and a bib-effect, square yoke. You might make the yoke and sleeve bands in contrast—say eyelet or net—and add lace edging. See how the buttons make gay duets down the front. The bloused lines of the waist nicely contrasts the slim, smooth skirt with its wide waistband. There's a flirtatious flare to the panelled, three-piece skirt, that has no side seams. Let Anne Adams' Sewing Instructor help you to quickly finish this demure style.

Pattern 4418 is available in misses' sizes 12, 14, 16, 18 and 20. Size 16, skirt, takes 3 3-8 yards 39 inch fabric; blouse, 1½ yards contrast and 2½ yards lace ruffling.

Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER.

Are you a "problem child" as far as your figure is concerned? If you are irregularly proportioned let ANNE ADAMS PERFIT FOUNDATION PATTERN 4714 take the guess work out of dressmaking. It's a "basic figure" pattern that is first fitted and adjusted to your exact measurements in tissue; then cut out in muslin for a permanent record. Pin all of your dress patterns to it, make the necessary changes, and the finished frock will fit with custom-made perfection! Send for a Foundation Pattern today—it costs just FIFTEEN CENTS.

POET'S CORNER

I WONDER

I wonder sometimes if God's up there,
If not in the sky above, then where?
I wonder do the little angels float
On the clouds above like a boat,
Or do they have wings and fly above
Like a pretty white sinless dove?

—Donald Arthur,
Age 13, Rosoburg, Oregon.
