RELATIVES OF LOCAL RESIDENT MOVE TO HONG KONG, CHINA

A very interesting letter has been received here by Mrs. Carl F. Spaulding from Mrs. Edward P. Pawley, who is a sister-in-law of the former's son.

Mrs. Pawley and three sons and a daughter and a maid sailed recently from San Francisco for China to join her husband, who is employed by a large airplane corporation with headquarters in Hong Kong. She reports exceptionally rough seas in crossing the Pacific to Hawaii and Japan and describes visiting the many interesting places in Japan, before going to Hong Kong, where she placed her four children in a missionary educational school. She reported that so far they had not been worried by the present war conditions in that country and that her family were greatly enjoying the living conditions of their surroundings.

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

United Workers Class to Meet—The United Workers class of the First Christian church will meet Friday at two o'clock at the home of Mrs. Paul Blaschke, 806 Winchester street. Members have been asked to bring their needles and thimbles.

"I EAVESDROPPED—BUT AM I GLAD!"

"Say, talk about speed!" one grocer was saying to another. "That Airway we ordered from the roasting plant is here already. I'd better build up this counter stack again. Never saw coffee go so fast. Airway's outselling every other brand in the store. What's the secret of its success, Mr. Carter?"

"No secret, Tom. Airway's a *real* value . . . and women know it. These rich full-flavored beans are roasted fresh every day, quickly packaged, hurried straight to the grocer. That's why Airway can safely use a thrifty bag instead of costlier containers. And that's where Airway gets its low price!"

"Another important fact. We grind Airway right here at the counter exactly as our customers want it. Consequently, we can promise a fresh zesty brew in any type of coffee maker. In fact, many who used to pay high prices for coffee have now switched to freshly roasted, freshly ground Airway!"

"I learned about a grand fresh coffee that saves money, too."

It's Airway . . . the fastest selling coffee in every store where it's sold. And one steaming cupful tells you *why!*

Airway's choice mellow-rich coffee beans come from famous plantations. They are superbly blended, roasted fresh every day, instantly packaged in a handy lock-top bag.

Your grocer's orders are filled right at the roasting ovens . . . delivered straight to his store. No in-between delays! No need for fancy containers! No high price even for an aristocrat like Airway.

Order a pound today! Unless you're thoroughly convinced that Airway is a bargain . . . for flavor, whole-bean freshness, and economy . . . it costs you nothing! Every pound carries a money-back guarantee!
