For some years the attendance has been limited to this figure, being the maximum that can be cared for adequately on the campus.</p> <p>The executive committee, headed by David Baum of Union, now a freshman at Oregon State, will meet on Wednesday, April 24, to prepare final details and transact business in advance of the general meeting. In addition to a score of work contests, the delegates will also hold state finals in parliamentary procedure and public speaking contests, and will take part in a number of radio broadcasts.</p> <p>Held in connection with the FFA convention will be the annual Ag fair, conducted by students in agriculture at the college. It will start Friday, April 26, with a parade, to be followed in the evening with a jamboree in the armory, consisting of various races, driving contests, staff members' milk contests, and the like.</p> <p>Friday night and Saturday each of the 10 departments in the school will operate a booth. Saturday evening the annual "Little International" will be held to pick winners in livestock showmanship.</p> | <p><b>When There's Something You Want Done SEE AN EXPERT</b></p> <p>The firms and individuals listed below specialize in their work. ## Modesty of Maid Draws Suspension

ALHAMBRA, Calif., April 20.—(AP)—Because she refused to undress and bathe in community shower rooms with other girls, modest 16-year-old Jean Lawrence has been suspended from Mark Koppel high school.

Principal Lawrence B. White notified her she had been suspended for "continued willful disobedience, open and persistent defiance of teachers in refusing to take part in required physical education activities and to take a shower afterward."

Through her father, Paul Lawrence, the girl has sued the board of education seeking to prevent school authorities from compelling her to undress and bathe before the eyes of other girl students, claiming it infringes upon her privacy.

Following a brief hearing recently, the case was continued until July 1 to permit school authorities to install several private shower rooms.

Miss Lawrence now claims she still is required to dress and undress in front of other girls and has asked that the trial of her suit be resumed.

There are tasks that could be more futile, but we can't think of any. Senator Ernest Lundeen heads the "Make Europe Pay War Debts Committee."

Congress now has before it the bill to increase the NLRI from three to five members. It seems there were two relatives.

## Correcting Mistakes

One should watch to know what his errors are; and if this watching destroys his peace in error, should one watch against such a result? He should not.—Mary Baker Eddy.

I shall try to correct errors when shown to be errors, and I shall adopt new views so fast as they shall appear to be true views.—Abraham Lincoln.

None are too wise to be mistaken, but few are so wisely just as to acknowledge and correct their mistakes, and especially the mistakes of pride.—Barrow.

Do not discouraged at broken and spilled resolution; but to it and to it again!—Coleridge.

You will find it less easy to uproot faults than to choke them by gaining virtues.—Anon.

A man should never be ashamed to own he has been in the wrong, which is but saying in other words, that he is wiser today than he was yesterday.—Pope.

## KINDNESS FOR DOBBIN

KANSAS CITY (AP)—There's a \$10,000 trust fund in Kansas that assures "needy horses" of a free Christmas dinner of oats.

The fund was set up by the late Mrs. Emma W. Robinson of Olathe. Each horse is allowed one bushel.

In 1937, 250 bushels of oats were purchased but only 150 needy horses could be found. Since then the humane society has been able to dispose of about 200 bushels each Christmas.
