Today's Pattern

4440

VERY FEMINE PRINCESS FROCK

A clean, uncluttered look, combined with delightful femininity, is the provocative success-receipt of this frock designed by Anne Adams. Pattern 4440 owes its shapely lines to smooth, flaring princess seams. Enchanting novelty is introduced in front by the rounded tops of the panels which give a scalloped effect to the yoke above. The sleeves are made in fitting short flares or in trim tufts finished off by sleeve bands. Lace edging would be gay at the sleeves and prettily-shaped young neck. An even more feminine touch would be lace contrast for the yoke, the perky bow and the sleeves or sleeve bands. Keep the Sewing Instructor on hand to speed your stitches.

Pattern 4440 is available in misses' sizes 12, 14, 16, 18 and 20. Size 16 takes 3 1/2 yards 39 inch fabric. Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER. Send your order to the News-Review, Pattern Department, Roseburg, Oregon.
