Today's Pattern

4380 SLIM, GRACEFUL ALL-DAY DRESS PATTERN 4380

by Anne Adams

The simpler your frock, the slimmer your figure—every smart nation knows that! Anne Adams slinky carrier out this rule in Pattern 4380—one of the youngest styles for mature women you've ever seen. It's made in flowing, smooth princess lines with soft softening touches. Those gathers at the bustline are both attractive and give needed ease. Hip seams curve to make the sides of the bodice fit nicely and to gently flare the skirt below. Do let the neck and the sleeves be gayly scalloped, and you might try the sides of the bodice and the sleeves in contrast. A dawn-to-dark dress that takes a jiffy with the Sewing Instructor. Pattern 4380 is available in women's sizes 34, 36, 38, 40, 42, 44, 46, 48 and 50. Size 36 takes 4 1/2 yards 35 inch fabric. Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER. Send your order to the News-Review, Pattern Department, Roseburg, Oregon.

AND SO SHE DIED

She had no will to live,
And so she died,
Bearing the stigma
Of a suicide;
The morbid said
She must have been insane,
To soil her soul
With such a damning stain.
I like to think
Her art was no disgrace—
That she was needed
In another place;
And though she lies at last,
Despised of man,
She fits, somehow,
In God's immortal plan.
