## Today's Pattern

4445 FROCK HAS GAY BODICE NOVELTY PATTERN 4445

by Anne Adams

The light-hearted casual art of this Anne Adams frock makes it a perfect all-around cotton. Pattern 4445 can be worn with equal verve by both a college-age girl and a young matron. There's a new line in the two center-front panels that curve in from the sides in smooth flattery. They leave the side bodice sections soft and bloused—an effect strikingly emphasized in light contrast with sleeves to match. Shoulder darts and horizontal waist darts give trim lines. The sleeves are slightly curved at their edges making your arms look graceful and slim. Use vivid ricrac or very feminine lace edging.

Pattern 4445 is available in misses' and women's sizes 14, 16, 18, 20, 22, 24, 26, 28, 30 and 32. Size 16 takes 3 1/2 yards 35 inch fabric and 2 1/2 yards ricrac.
