Fighters Ready for Gong Here Tonight

The fight arena was set up at the armory in preparation for tonight's boxing card, to be presented under sponsorship of the Empqua post of the American Legion. Tonight's engagements will be the first of a series of spring and early summer cards to be arranged by the Legion if fans, by their attendance, indicate a desire for continuation of the program. Rudy Ritzman, matchmaker, reports.

Twenty-eight rounds of boxing are scheduled with Leo Turner, state middleweight champion, matched against Kenny Austin, Albany, in the 10-round main event spot. Turner's title will be at stake.

A very fast set-to is promised for the six-round, secondary, between Young Nationalists of Portland and Ernie Bailey of Aberdeen. Another match of particular interest to local fans will be the four-round feature event between Babe Fenton of Sutherlin and Buddy Walner of Vancouver.

Four good preliminary matches are announced by Ritzman for tonight's card, which will start at 8:20 o'clock.

VFW, Auxiliary To Install Heads

A joint installation of officers of Patrick W. Kelley post and auxiliary of the Veterans of Foreign Wars will be held Thursday night at the Knights of Pythias hall. The meeting originally was scheduled for the armory, but has been changed. It was announced today, to the lodge hall.

Following the installation ceremonies, the veterans will discuss various business matters, including proposed legislation.

Mr. Manton announced today he has received word that Orlan Brown, of South Carolina, national commander in chief of the V.F.W., will be in Roseburg Tuesday, May 21. The national commander is making his official visit to the west coast, and is scheduled to arrive in Roseburg at 4 p. m. Tuesday to inspect the Veterans Administration facility here. This One's Confusing

LITTLE ROCK, Ark.—A middle-aged man jovially shook hands with police and pedestrians after they had extricated him from a storm sewer on Main street.

He explained he had dropped a newly purchased diamond engagement ring in the sewer and had crawled in to hunt for it.

After a search disclosed a \$1 bill in the sewer and the ring in the man's pocket, police booked him on an intoxication charge.

Success Story

FALLS CITY, Neb.—Three years ago Frederick Bucholz, now 19, was deemed a farm near here by his uncle, John W. Towle, of Omaha.

Nebraska's newest oil well was drilled on the farm, and with production at about 300 barrels a day, young Bucholz' share on a royalty basis should be about \$8,000 a year.

The oil man said the income might increase to \$100,000 a year if plans to place a dozen wells on the land materialize.
