## Today's Pattern

TRIMLY TAILORED SHIRT-WESTER. PATTERN 4461

by Anne Adams

This debonair shirtwaist style is designed for the woman who wants her hot-weather clothes to be smart but easy to make, easy to wear, and to keep fresh and crisp. Just see all the engaging details! Anne Adams has given Pattern 4461: the round, young neckline... the attractive yokes with radiating darts below... the short sleeves that may be finished with cuffs. Novelty buttons would add a gay touch down the bodice opening. There are both front and back panels in the nicely flared skirt. Aren't the chic optional pockets a smart fashion note? For even greater dash, you might make the whole top in becoming contrast. A round-the-clock dress!

Pattern 4461 is available in misses' and women's sizes 14, 16, 18, 20, 22, 24, 26, 28, 30 and 32. Size 16 requires 4 1/2 yards 35 inch fabric.
