

Hubbell, Ruffing Win by Shut-Outs

Brooklyn and Boston Victims of Veteran Moundsmen; Cincy Regains National Lead.

By JUDSON BAILEY
Associated Press Sports Writer
Two of baseball's heroes fittingly memorialized Memorial day by nearly a quarter million fans massed in the major league parks by producing pitching performances such as are reserved only for special occasions.

Foremost on yesterday's program was a one-hit game pitched by Carl Hubbell, the New York Giant's apparently tireless veteran, before a screaming crowd in Brooklyn's field.

In the third inning, Johnny Hodson of the Dodgers singled. A double play immediately eliminated him and no other Dodger reached first. Thus Hubbell faced only 27 batters in winning 7-0, and pushing the Dodgers out of the National league lead.

The other outstanding offering was a two-hitter by Red Ruffing of the New York Yankees in shutting out the league leading Boston Red Sox 4-0 before the third largest crowd in baseball's history, 82,437, at Yankee stadium. For seven innings the big red head had a nibbler. In the eighth Joe Cronin singled and the Phils were shut out.

Hubbell's victory was the first of two for the Giants against Brooklyn. The second was desperately fought for 11 innings and then the Giants exploded eight runs in the 12th to win 12-5.

Ruffing's triumph ran the Yankees' winning streak to six games, but the Red Sox won the nightcap 11-4. Cronin led a 14th attack with a three-run homer and Hersh held New York to six hits.

Cincy Regains Lead
In taking over the National league lead, the Cincinnati Reds swept two games from the Chicago Cubs who have lost six of their last seven. The Reds marched to a 4-2 decision in the opener, but they had to go 12 innings to take the second game 8-8.

The Phillies and Boston split the other show in the senior circuit. Higbe allowed five hits to take the first game 3-1. In the nightcap Southworth allowed only six hits and Eddie Miller hit a grand slam home run in the 11th for a 5-1 victory.

The Cleveland Indians cut down the Chicago White Sox twice by identical scores of 5-1.
Bridges pitched eight scoreless innings after the first and the Detroit beat the Browns 2-1 on a homer by Greenberg and a double by York with Greenberg on base. The Tigers ripped out a 15-6 decision in the nightcap.

The Washington Senators and Philadelphia Athletics divided their doubleheader. The A's hosted the first game 7-6 but the Senators stormed back to win the second game 14-2.
A doubleheader at Pittsburgh was rained out.

Turpin's 3-Hitter Blanks Hollywood

(By the Associated Press)
Memorial day doubleheaders worked both ways in the Pacific coast baseball league—the advantage of Seattle who fortified its lead with a double victory, and to the disadvantage of Portland who had two to drop deeper into the cellar.

The hapless Portland Ducks have lost five successive games—four to their current opponents, the Oakland Aces—to fall into the lowest spot they have held since they took over last play five weeks ago.

By losing two games by identical 4 to 3 scores to Oakland yesterday, Portland trailed Seattle by 10 games.
A home run by Dan, first baseman, in the ninth inning blanked Oakland in its first game of the 14th night, which was completed in a heavy rain.

Two runs in the sixth clinched the seven-inning nightcap for Oakland.
Two right-hand pitchers led Seattle to its double victory over Hollywood 2 to 0 and 1 to 2.
Hal Turpin slanted Hollywood with three hits in the opener and Webber helped win the second by some effective base running.

Sarcantoni and Sam Franzen split their double header, Sarcantoni took the first 2 to 2 and Sam Franzen the second 1 to 0.
Los Angeles won the first game from San Diego 3 to 2 but night, but the second game ended in a 2 to 2 tie when it was called at the end of the sixth because of this time limit.

Bets on Horses Bearing "Cute" Names and Wins

OMAHA, May 31. (AP)—The horses' names sounded "so cute to mites" as Genevieve Becker of Chicago was \$1,429.50 richer today—her winnings from the track record daily double payout at the Ak-Sar-Hen racing plant yesterday. "Listen to how it sounds," she said. "It's a natural. I bet the way for Lillian C—two six names and boy how they paid!"
