Delightful Recital Given by Pupils Of Miss Strong and Mrs. Brand

A very delightful recital was given by advanced pupils of Gladys H. Strong and voice pupils of Mrs. Charles Brand last Thursday evening at the Baptist church. The auditorium and platform were beautifully decorated which gave a lovely setting for the recital.
 The students showed a great deal of ability and talent. Their numbers were chosen from the really worthwhile as well as interesting literature for piano and voice. The piano students played with a good deal of brilliance, having the basic qualities of good tone and rhythm and a musical conception of their numbers.
 A number of the voice students have very promising voices. Their singing was pleasing and unforced. They sang with good interpretation and in good style. Miss Strong was accompanied.
