

### Detroit Squeezes Into Second Place

#### Bridges Holds Yanks to 5 Hits as Boston Mauls Feller to Defeat Cleveland

By JUDSON BAILEY  
(Associated Press Sports Writer)

The Detroit Tigers squeezed into second place in the American league yesterday by defeating the New York Yankees 6-1 while the Boston Red Sox disposed of the threatening Cleveland Indians 9-2.

Tommy Bridges never had his curve breaking any better than yesterday when he held the Yanks to five hits. He would have had a shutout except for an error by York. And his teammates gave him the help of 11 hits, including three home runs.

The Red Sox defeated the Indians handsomely. They made seven hits off Bob Feller in five innings and gave him his fourth defeat of the season. Jack Wilson kept seven hits by the Indians scattered and had the help of the big bats of Cronin and Williams, each of whom hit home runs with men on base.

**Bucky Walters Beaten.**

Feller wasn't the only wonder pitcher to fall into a pit yesterday. Bucky Walters, who won nine games before he was beaten, was pounced upon by the Phillies 4-1 for his second straight setback. Heck held the usually rugged Reds to seven hits, two less than the Phils collected. The defeat widened the distance between Cincinnati and the pace-making Brooklyn Dodgers, who were rained out.

One of the day's happiest occurrences was a four-hit pitching performance by Paul Dean in accounting for one half of the New York Giants' double triumph over the Chicago Cubs.

Paul came up with a heart-stopping show for his first National league victory in two years, 3-2.

His successful start followed close upon a five-hit shutout Lohman pitched to beat the Cubs 4-0 in the first game.

Vernon Kennedy, another battered veteran, batted rightside up as the St. Louis Browns again whipped the Washington Senators 5-2. Kennedy gave up nine hits, one more than Dutch Leonard, but permitted only one walk and was effective in the pinches.

The Chicago White Sox kept Washington from dropping to the cellar by edging out the Philadelphia Athletics 5-4 in a night game.

### Wild Pitch Loses Game for Seattle

By the Associated Press

One wild pitch has put the Seattle Rainiers in a precarious position and enhanced Oakland's chance to regain top spot in the Pacific Coast league.

Not only did the one bad throw endanger Seattle's circuit best but it meant the loss of first place in the pitching standings for Dick Barrett, Rainier moundman.

In the ninth inning of the Seattle-San Diego game last night, Barrett hurled one that went away and enabled a runner to score from third to give San Diego a 2-to-1 victory. Otherwise, Barrett held the Padres to four hits and knocked in the Rainiers' only run.

A home run by Lou Stricker, Los Angeles second baseman, put an abrupt end to the Los Angeles-San Francisco game. Los Angeles won 2 to 1 when Stricker took up a pitcher's lead that had the game tied at one each as it went into the final inning.

Oakland moved within six percentage points of Seattle after downing Portland 7 to 2. Silveason, Oakland pitcher, held Portland scoreless until the eighth inning while six mates collected a seven-run lead.

Hollywood won its seventh straight when it defeated Sacramento 5 to 1.

### Texas Town of Italy Raps 'Italy Across the Sea'

ITALY, Tex., June 11—(AP)—This Texas town—population about 1,500—wants the world to know that its residents are not sympathetic with the war course in which the Italy of Benito Mussolini is embarked.

Immediately after Mussolini's entrance into the war, citizens of Italy, Texas, assembled in a mass meeting and authorized the following communication to President Roosevelt:

"On this day, Italy, through its premier declared war against France and England. This declaration was from Italy across the sea. There is another Italy (Texas) whose white citizens citizenship denounces this action."

### Nazis Admit U-Boat Stopped U. S. Liner

BERLIN, June 12—(AP)—It was a German submarine which stopped the United States liner Washington at dawn yesterday on its refugee-carrying European voyage, authorized German sources disclosed today.

These informants said that the submarine learned that the liner was on a northern course, headed for Ireland.

The German government was said to have been advised that the ship was going to Bordeaux, France, and other ports and that Germany had not been told until later in the day that she would call at Ireland.

The liner, carrying 1,920 refugees from the war zones and a crew of 570, was stopped 240 miles northwest of Lisbon, Portugal, only yesterday as she was steaming toward Galway, Ireland, to pick up additional refugees. The point of its encounter with the submarine was about 145 miles off the northwest coast of Spain.

**U. S. Plans Ignored.**

Questioned concerning the United States position in the war, the spokesman said "rearranging the economic question and the forthcoming presidential election are all things which do not affect us and hence there is no reason to comment."

That is the formula applied to all American problems, the spokesman said.

Asked specifically about reports of the possibility that the United States might change its status that of a "non-belligerent," the spokesman said:

"President Roosevelt himself was asked about this question and declined to answer. When the president doesn't know, how can I expect to answer?"

Pointing out "the great reserve of the German press toward America," the spokesman said, "American affairs are affairs of America and European affairs are those of Europe."
