

Louis in Top Form To Battle Godoy

Champion, Displaying Savagery in Final Workout, Asserts He'll Make Chilean Fight.

(By GAYLE TALBOT)
NEW YORK, June 18.—(AP)—Joe Louis is finely drawn and appears to be in a vicious humor for his second fight with Arturo Godoy, the durable Chilean, tomorrow night at Yankee stadium.

The face of the big negro still is expressionless and his conversation strictly limited to monosyllables, but his stomach is as flat as the pavement and he is down to 200 pounds, his best fighting weight.

The final workout yesterday was furious and purposeful. It came as something of a shock to the crowd at Greenwood lake to see the champion knock a harmless sparring partner down and out with a sudden burst of punches.

"This was the first time any one could remember having seen Louis smash an employee around just before a fight. It was taken as a sign that he really has been broadening about his failure to stop Godoy in their first scrap and has reached an unusually keen edge for this one.

Asked what he intended doing to Godoy tomorrow night, Joe would only say: "I promise you he'll fight this time."

Backers of Louis still are laying 5 to 1 against Godoy's chances of lifting the championship, but a majority of observers think he will go the limit again. He is strong and ring-wise and can absorb a punch. Also, he is in better condition than he was for his first bout with the champion. Still, he lacks the class of Louis, without much doubt.

Turpin Wins Ninth Game in 10 Starts

(By the Associated Press)
Seattle continued to increase its Pacific Coast league lead in the circuit by downing Sacramento yesterday, 7 to 1 for its sixth straight triumph.

Neither side was able to score for six innings, but in the seventh Sacramento registered one and Seattle retaliated with five runs to give Pitcher Hal Turpin his ninth win in ten starts.

Oakland maintained its place in second but dropped three games behind the pace setters after it lost to Los Angeles 12 to 4.

Leading coast batter Novikoff, Los Angeles left fielder, smacked out his 24th home run which produced three runs in the first and gave the Angels a lead that was never headed.

For the first time this year the San Diego Padres, erstwhile leaders of the league, are in the lower division of the circuit.

San Diego was stormed last night when Portland, the cellar club, went on a hitting spree and won 11 to 4.

Portland batters found two San Diego pitchers for 15 hits and registered two runs in the first to take and hold the lead throughout the game.

San Diego's fall to fifth place was made certain when Hollywood defeated San Francisco 4 to 2 and took over number four position.

A pitcher's duel featured the game with Arizola, young Hollywood moundman, getting the bet-

Brooklyn Suffers Loss of Medwick

"Boon" Bail Puts Star Mitter in Hospital; Cincinnati is Beaten 4th Straight Game.

By JUDSON BAILEY
(Associated Press Sports Writer)
Joseph Medwick, the big batter and leg man who was supposed to bring the Brooklyn Dodgers a pennant, is lying in a hospital today and the question is whether he took the Dodgers' championship chance with him.

Medwick suffered a concussion of the brain yesterday when hit by one of Bob Bowman's pitches in the first inning of a game which the St. Louis Cardinals ultimately won 7-5 in eleven innings. He is expected to be out of the lineup about three weeks, after which he may return as good as new—or he may not.

Loss of a player as valuable as Medwick is nothing less than heart-breaking to a club in the heat of a pennant chase. It puts the Dodgers right back where they were before they spent that estimated \$150,000 and four players for Medwick and Pitcher Curt Davis a week ago today.

Cincinnati Defeated.
The Dodgers' plight might be worse except that their National league rivals seem to have chosen this exact time for an attack of the staggers.

came in a row at the start of the season, was beaten for the fourth time in a row last night as the Philles pounced upon the Cincinnati Reds 3-1. Bob Brazan, a rookie shortstop, caused all the trouble by hitting two home runs, one of them with one on to win the game in the ninth inning. Walters gave up just five hits and struck out eight.

At the same time the third place New York Giants were getting a 4-1 going over by the Chicago Cubs in New York Jake Mooney, Chicago's little freshman right-hander, held the Giants to six hits and had them shut out until two were out in the ninth inning.

Red Sox Halted.
The six-game winning streak of the Boston Red Sox finally was snapped at St. Louis in a motion picture finish that started John Bernardino. He came to bat in the tenth inning with the score tied and the bases loaded—and hit a home run for the Browns' 11-7 triumph.

Lefty Al Smith obtained his seventh victory against one defeat as the Cleveland Indians nosed out the Washington Senators 2-1 in a night game and moved into a tie with the Detroit Tigers for second place in the American league. Smith gave up only five hits.

The New York Yankees were set back for the third straight time as the Chicago White Sox ended a five-game losing streak of their own, 5-3, behind the sixth hit burling of Southpaw Ed Smith, who also had stopped the Yankees when he faced them a couple of weeks ago in New York.

Oregon Senators Urged to Back Bridges' Ouster

GRANTS PASS, June 18.—(AP)—In the name of the American Legion of Oregon, Niel R. Allen, department commander, today urged Senators Charles L. McNary and Rufus Holman to support passage of a bill to deport Harry Bridges, alien leader of west coast labor.

Allen's wire "urgently" requested that McNary and Holman do all in their power to have the senate join the house in its favorable action "as unmistakable gesture of an aroused citizenry exercising its power of sovereignty over aliens in our midst. We believe America's duty to herself in this time of crisis requires that she declare and exemplify in no uncertain terms her power which is actually the power of national self-preservation. The citizenry now looks to congress to correct the weak-kneed indecision and vacillation of an executive agency of the government who now symbolizes all aliens within our borders."

Allen declared the power of the citizenry over aliens "is subject to no constitutional limitations."

Northwest Pine Facing Extinction From Rust

SEATTLE, June 18.—(AP)—Blister rust threatens Pacific northwest white pine and sugar pine forests with extinction unless federal and state governments give pine lumbermen aid, Clyde S. Martin, forest engineer for the Western Pine association told the society of American foresters at its summer meeting here today.

"In one locality in Idaho blister rust has destroyed 200,000 acres of Idaho pine. It would cost \$5 an acre to check this rust. It costs \$20 to burn and replant forests ruined by it. The lumbermen cannot afford the initial expense of control," Martin said.

He said the second most damaging attacker of pine was the western pine beetle which caused 28 times more damage than forest fires.
