HIKING PARTY IS ENJOYED ON SUNDAY

CANYONVILLE, June 20.—Mrs. R. Paulson, Evelyn Paulson, Harold Ramberg and Inga Ramberg went on a 14-mile hike from the South Umpqua river road above Tiller CCC camp Sunday. They started out for Beaver lake, but missed the lake and went a mile farther up Jackson creek trail. While returning they encountered a few rattlesnakes, killing only one, however. They made rather slow progress on the last mile of their return, due to aching feet and exhaustion.

PRO-AMERICA TO HOLD PICNIC SUPPER JUNE 26

Wednesday evening, June 26, has been announced as the date of the Douglas unit of Pro-America's picnic supper to be held at 6:30 o'clock in the garden of the C. E. Banning home on Flint street. Mrs. H. C. Waddell, chairman of the unit, has recently announced committees to take charge of the affair.

Forum to Hear Highway Commissioner Clough

An interesting program is in prospect for the regular Wednesday forum luncheon of the Roseburg chamber of commerce at the Umpqua hotel, June 26, it was announced today. Huron W. Clough of Canyonville, member of the state highway commission, will be the speaker, and will outline plans of that state body for road development.

At the meeting held yesterday County Judge Morris Bowker, chairman of the committee on public lands for the state association of counties, discussed pending legislation pertaining to federally-owned lands. Efforts are being made in congress, he reported, to give the counties some relief from extra tax burdens imposed by withdrawal of lands from taxation resulting from the transfer of title to the federal government.

Games This Week

Thursday: Hancock Oilers versus Elks Club and Hub's Indians versus Oakland.

Friday: Dunham's versus National Guard and Boucock's Butchers versus Sutherlin.

By EVERETT CROUCH

Coming from behind in the last half of the seventh inning, Hub's Indians nosed out Sutherlin, 10 to 9, in a wildly contested city softball league game at Finlay field Tuesday night. The teams played on even terms throughout the contest, with neither able to secure a safe margin. Going into the seventh inning Sutherlin had a 9 to 8 advantage, but three errors and two fielding choices, permitted the Indians to push across the two runs needed to win.

In the second game the seventh inning saw the downfall of Dunham's Transfermen when they lost to Boucock's Butchers 5 to 4, putting the two teams in a tie for first place. Laurance held the Butchers to six hits and struck out seven, but poor support in the pinches cost the Transfermen the game. Morris was the big gun of the Dunham offense, getting four for four, while his mates, garnered six hits to make at total of 10 safeties off the offerings of Merritt.

Outdoor Service, Feast Set by Glide Baptists

At least one each year the youngsters of the Glide community are given an opportunity to eat all of the ice cream they can hold. The occasion is the Glide Baptist church outdoor service, which is to be celebrated next Sunday, June 23, at the Wolf creek forest camp on Little river.

The service is to begin at 10 a. m. with regular Sunday school classes. At 11 a. m. a Gideon band from Roseburg will conduct the worship service.

At noon the new rustic tables, recently constructed by the forest service to seat 80 to 100 people, will be loaded with the potluck dishes. Following the lunch, ice cream will be served until all present have had their fill.

In past years the outdoor service has drawn large congregations and the committee in charge of the services for next Sunday has planned for the entertainment of at least 80 persons.

Harness Races On State Fair Card

For the first time since harness events were revived three years ago at the Oregon state fair racing meet, a futurity race is announced, with more than forty owners expected to nominate their mares before January 1, 1941. These futurity entrants will race at the state fair meet in 1943.

Meantime, the harness racing phase of the 1940 meet, which will include six or seven running races and two heats of harness events daily, has been outlined by the fair management. The state fair opens Labor day, with the racing program to be one of the big features of the week.

Three stake races of two heats each are scheduled during the week, and in addition to the purses, winners will take all entrance fees. The stake races are new this year, and will include the 2:25 pace, purse $350, to be run Monday; the 2:15 trot and pace, purse $400, Wednesday; and a two-year-old trot and pace, purse $350, Friday. Entries on the stake races will close July 1.

The other three days, Tuesday, Thursday, Saturday, will bring six dashes with purses of $150 each. Besides these, three additional races are scheduled for the trotters and pacers: The free-for-all trot, purse $250; free-for-all pace, purse $250; and consolation trot and pace, purse $100.

Entries are anticipated from stables in Washington, Idaho, Utah and Oregon.

San Bernadino county, Calif., has an area of 20,174 square miles, and is the largest county in the United States. New York county, on Manhattan Island, is the smallest, with an area of about 22 square miles.

A flood-proof barn was erected on his river-bottom farm by W. C. Hall of Coffeyville, Kan. A concrete ramp leads to the upper story of the barn and, when flood waters threaten, all livestock is driven up the runway to safety.

BACKACHE, LEG PAINS MAY BE DANGER SIGN

Of Tired Kidneys

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention.

The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 3 pints a day.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.
