POET'S CORNER

STRANGE MISTY THINGS

I picked up the vase Of lovely flowers, Strange misty things That seemed to speak In silence Of angels passing wings. From their depth Of loveliness, Tho' speaking not a word, Lovelier lips have spoken And none have ever heard. Tho' speaking not a word They hold you in their grasp, And touch your saddened heart Till they unlock its Binding clasp. —G. M. Leeper.

THAT NEVER PASSES BY

Give us all the sunshine That there is in the sky, And the true and lasting Friendship That never passes by. —G. M. Leeper.

THE KIND, GENTLE DARKNESS

As I sit in the darkness Where there is nothing I can see, Loved, unseen forms Stand close to me. By the ruined cathedral I see not the broken mass, And dear, gentle faces Pass and repass. In the darkness I sit; Loved ones lie dead at my feet, Yet the kind, gentle darkness Hides the picture I cannot meet. —G. M. Leeper.

LOVE'S UNBIDDEN TASK

It is better to see love Than to say it, For it is not love's deepest wish That you obey it. Obedience may answer What you ask; But love roves beyond And makes for itself An unbidden task. —G. M. Leeper.

Today's Pattern

POCKET-TRIMMED SPORTS FROCK PATTERN 4487

by Anne Adams

If summer gives you that young "n' carefree feeling—here's a frock to match! Pattern 4487 is a casual Anne Adams style for active sports, work-days or just plain laziness in the sun. A striking feature is the pair of optional pockets that fasten to a belt which runs right under their buttoned flaps. Notice too the young round neckline and the straight-across yoke, with zathatched fullness below. There's a full-length back buttoning that's jaunty, that makes ironing easier, and that prevents crushing when you get into the frock. You may have crisp, cool sleeves—hands or straight, short sleeves. Why not make this frock in white cotton or shirking? Pattern 4487 is available in misses' and women's sizes 12, 14, 16, 18, 20, 22, 24, 26, 28, and 40. Size 16 takes 4 yards 36 inch fabric. Send FIFTEEN CENTS (15c) in coin for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER. Send your order to the News-Review, Pattern Department, Roseburg, Oregon.
