Today's Pattern

DEMURE YOUNG PRINCESS DRESS PATTERN 4175

by Anne Adams

The "tongue-in-the-cheek" demureness of this frock is irresistible to any teenage girl! For in Pattern 4175 Anne Adams combines a sentimental air with little, streamlined princess style. Every detail has been planned for the minimum of sewing effort. You can see for yourself that the pretty yoke and center front panel are in one easy piece—make them on the bias if you like. Or, instead, bias-cut the two side panels at front and back. The puffed sleeves are closed or have perky, flared openings. Wouldn't this dress look gay with frothy ruffling at yoke, sleeves and about the hemline?

Pattern 4175 is available in Junior and misses' sizes 10, 12, 14, 16, and 18; bust sizes 28, 30, 32, 34, and 36. Size 14 takes 4 yards 59 inch fabric and 7 yards edging. Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER. Cut a smart figure in the summer fashion picture. Make your new wardrobe from the original designs in the Anne Adams Pattern Book. A colorful forecast of summer 1940, it includes styles for country and city dweller, "pocket-edition" youngster and "forty-plus" matron. There are gay sport clothes, dance frocks, cool prints and cottons for vacations by land or sea... by air. Of course the summer bride has not been forgotten. Send today! BOOK FIFTEEN CENTS. PATTERN FIFTEEN CENTS. BOOK AND PATTERN TOGETHER TWENTY-FIVE CENTS. Send your order to News-Review Pattern Department, Roseburg, Ore.
