## Today's Pattern

SLIM, DOUBLE-PANELLED STYLE  
PATTERN 4382  
4382

You can wear light summery things and STILL look your slimmest—in a style with really good lines. In other words, in Pattern 4382, designed by Anne Adams. This dress creates a tall-and-slim illusion with its two long front panels. The decorative yokes allow for nice bodice softness, yet keep your shoulder lines smooth and trim. Notice the neat pointed sleevebands on the short, pointed sleeves. You might highlight all the attractive details by having the panels, yokes and sleevebands in gay color. Or add bow ends of dainty contrast—say white lace or eyelid embroidery. You'll just live in this pretty style during the heat wave!

Pattern 4382 is available in women's sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 takes 4 1/2 yards 36 inch fabric.

Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER.

Send your order to the News-Review, Pattern Department, Roseburg, Oregon.
