

Games Decided By One-Run Margins

Boucock's Nose Out Elks Club 4 to 3, Dunham's Win 7-6 From Cottage Grove.

By EVERETT CROUCH
Boucock's Butchers moved into third place in the city softball league as they nosed out the Elks club, 4 to 3, in an extra-inning contest, the only league game played last night at Finlay field. In the second game, a contest between Dunham's Transfermen and a Cottage Grove team, the Transfermen started a four-run spurge, giving them a winning margin in the 7 to 6 score.

The first game was a nip-and-tuck affair all of the way. The score was tied at three-all at the end of the seventh inning, forcing the game into an extra frame. In the first of the eighth, Morgan, first man up for the Butchers, drew a base on balls, went to second on a passed ball and scored on a double by Meyers. The Clubs club tried desperately to tie the score in their half of the inning, but the Butchers refused to relinquish their one-point lead.

Wolcott, hurling for the Lodge-men, allowed eight hits, issued two walks and had six strikeouts. Merritt, hurling for the Butchers, was nicked for eight safeties while striking out three batters and gave one walk.

Dunham's Transfermen, playing host to the Quality Market team from Cottage Grove, outlasted the visitors in a wild contest. In the fourth inning, with the bases loaded, Kenry Laurance singled and all four runs were scored as the Cottage Grove players threw the ball all over the field in a comedy of errors.

Laurance, Roseburg pitcher, held the visitors to five hits, struck out six and walked one. Helm allowed the locals nine hits, had seven strikeouts and issued four walks.

Final Round Dated In Tennis Doubles
The final round of the ninth annual tennis doubles tournament will be played Sunday at 9 a. m. with Ivan Hatfield and Bud Spaulding playing against Clyde Carstens and Ehrman McFaddin for the city doubles championship.

Hatfield, city singles champion, and Spaulding, seeded No. 1 team, last night completed the semi-final round, defeating Marshall Penza and Charles Church 6-2, 6-3, 8-6, 6-4. The first three sets were played earlier in the week, but darkness prevented playing the final match until last night.

McFaddin and Carstens, the latter co-holder of the state high school doubles championship, advanced to the finals by a long, hard-fought victory over Royd Bruton and Louis Miles. The match went the full five sets and lasted two and a half hours. Carstens and McFaddin won with scores of 6-4, 4-6, 6-4, 3-6, 6-2.

In earlier matches results were: Bruton and Miles versus Harness and Miller, 6-0, 6-4, 6-1; Carstens and McFaddin versus Larry Anderson and Bob Sullivan, 7-5, 6-4, 6-1.

Myrtle Creek
A warning from the fire stream early Saturday morning sent the department and everybody else scurrying toward a big smoke near the schoolhouse. Arriving, the fire was discovered to be in the roof of the house occupied by Mrs. Magie Bullack and her brother, Howard Veliam. It had caught from starks, or a defective flue, and was the second time in a week that the roof had been on fire. It was extinguished with little damage.

Mr. and Mrs. John Wimer returned to Powers Sunday evening.

Mr. and Mrs. Woodell Farles and children, Jack and Peggy, of Berkeley, Calif., are visiting Mrs. Farles' sister and family, Mr. and Mrs. Roscoe Chaney, and her father, W. E. Fugate. They expect to return the last of the week.

Major Heople

Major Heople Self-Kicker Has Good Patronage
Machine invented by Carolain Still Relieving Humanity in 4th Year of Service.

GRAFTON, N. C.—(AP)—It's been three years since Craven County Commissioner Tom Haywood built his self-kicking machine.

And this fourth summer it's being used more than ever before, although some skeptics had predicted at first its novelty would soon wear off.

Perhaps you don't know what a self-kicking machine is, and have never heard of Tom Haywood? Well, when you have done something that you feel you shouldn't have, and want to kick yourself for it, Haywood's machine will do it for you.

The self-kicking machine was erected July 27, 1937, on Highway 79, often called "North Carolina's Broadway." Thousands of persons have used the machine since.

Several hundred of those who have been kicked belong to the "Self-Kicking Club of America." The members are scattered in every state of the union and in some foreign countries.

The machine is still going strong after three years, although Haywood has had to install a new belt, and a third set of new shoes will have to be added in a few weeks.

To use the self-kicking machine you just stand before it and work a gadget and the shoes revolve on the belt and kick you in the favorite place for all kicks.

bristling many guns and with the friendly drone overhead of British planes.

Not once had they sighted a German plane.

As he lead the contingent ashore, Major General Victor Odium, commander of the second Canadian division, declared that until the British take the offensive into Germany "we cannot feel we have done our duty."

Legionnaires Included
One former member of the Michigan state legislature declared there were a substantial number of men in his brigade from the United States.

"There would have been lots more," he added, "if we had not persuaded them to stay home to look after their families."

He said they included 30 men from his home town alone, mostly American Legion members.

The United States members came from almost every region. Some had hitch-hiked their way up and across the continent to Canadian recruiting stations.

SENATOR BURKE BACKED IN ANTI-3RD TERM MOVE
WASHINGTON, Aug. 3.—(AP)—Senator Burke (D., Neb.) said today that he had written to 150 persons opposed to a third term for a president, asking them to testify on his proposed constitutional amendment for a single six-year presidential term.

The Nebraska senator, who recently announced his support of Wendell L. Willkie, the republican presidential nominee, said that public hearings would start soon before a senate judiciary subcommittee.

"My proposal could not apply to President Roosevelt at this time," Burke told reporters. "It would merely limit a fourth term for President Roosevelt to six years because it would apply only to presidents elected after this election."

He said he had received about 3,000 letters from persons opposed to a third term or in favor of a single six-year term and had sorted these to "get a cross section from all walks of life."

"I've written to college professors, church leaders, businessmen, lawyers, farm and labor leaders," he said. "Many states have a limit on terms of governors, and I've written to former chief executives of these states to find out why the plan was adopted and how it has worked."

beyond my understanding."

Chairman Sheppard (D., Tex.) said that the senate military committee expected to complete its draft of a greatly revised conscription bill Monday and have it ready for senate debate next week.

The house military committee ended public hearings on the issue yesterday, and seven members were asked to redraft the bill at once.

MODEL STARTS TOUR TO DEFEAT CONSCRIPTION
CHICAGO, Aug. 3.—(AP)—A 19-year-old beauty dressed as Paul Revere mounted a white horse at the city hall yesterday and began a ride to Washington to stir opposition to conscription.

Miss Elaine Summers, a University of Wisconsin beauty queen and professional model, carried an anti-conscription scroll which she intends to present to President Roosevelt. Her trip is sponsored by the committee to defend America by keeping out of war.

Miss Summers will make several stops en route to the capital.

Japanese Ambassador

Shigemitsu was reported to have demanded in an interview with Foreign Minister Lord Halifax that the British government release the two prominent Japanese businessmen.

Unofficially, it was reported the arrests had been made under wartime aliens regulations for reasons of "national security."

Lord Halifax told the ambassador the arrests were made on the same grounds of "internal legal considerations" by which Japanese justified recent widespread arrests of Britons in Japan, it was reported.

Shigemitsu was understood to have pointed out that there would be an "unfortunate effect" on British-Japanese relations if the arrests were made for political reasons.

A spokesman at the Japanese embassy said: "We are flabbergasted at the action which has been taken."

The spokesman described the two men as "very pro-British and very sympathetic to Britain."

"We cannot possibly imagine anything on their part to invite suspicion or give the impression they infringed on the regulations of this country," he said.

"We hope everything can be settled satisfactorily," he added.
