Into Western Hemisphere, Answer to Hull Warning

ROME, Aug. 7.—(AP)—Virginio attitude of the American republics Gayda, authoritative fascist editor, replied today to the warning of United States Secretary of State that states are supported by the manner in which some nazi officials have aroused content of the state of the sta

Louisiana litical purposes.

that Hull was "creating a phantom of German-Italian menace" for political purposes.

"It is evident that Hull would like to alarm the American nations with a feeling that a transfer of the war to the American continent by the victorious axis powers is more or less imminent," Gayda wrote.

"It is well now to point out once more that this information is absolutely unfounded, arbitrary and let it be said with respect for the eminent American statesman—tendentious rather than provocative."

(Hull's statement yesterday askied the American people to "be ready and willing for real sacrifice of time and of substance and for hard personal service" and to "arm to such an extent that the forces of conquest and rain will not day.

(Westrick, Commercial, connected to such an extent that the forces of conquest and rain will not day.

Westrick, Commercial, activities included.

1. The interstate commission on trime demanded an investigations of wasteriate commission on the constant of wastigations and observite from the constant and observites."

2. The federal bureau of investigations of fifth column suspects.

3. The house passed and sent to the senate a measure to permit the FII to tap wires in investigations of substage, treason and esplonage.

Two Singled Out

npt Action Recommended by Military Committee; Home Guard Comprised of War Vets Now Proposed.

WASHINGTON, Aug. 7.—(AP)

Prompt enactment of compulsory military training legislation was recommended to the senate by its military committee today with the statement that "redsonable prudence demands ats immediate and substantial increase in our armed forces."

"It would be criminal," the com-Italy

"it would be criminal," the committee reported, "to give the nation a false sense of security by the mere possession of defensive armaments and a corresponding lack of trained men."

Scheduled for consideration tomorrow, the legislation, which the committee previously had approved by a 13-to-3 vote, would require registration of male citizens between 21 and 30 years of age, inclusive. From this group upwards of 1.000.000 men would be selected within the next 12 months for a year of military training. They would thereafter take their place in the reserves.

Discent Expressed.

Presented along with the committee report on the legislation was a minority report, previously made public, asserting that "regimental for by the bill in peacetime is abhorrent to the ideals of patriotic Americans and is utterly required.

Dissent Expressed.

Presented along with the committee report on the legislation was a minority report, previously made public, asserting that "regimentation of American life as provided for by the bill in peacetime is abhorrent to the ideals of patriotic Americans and is utterly repugnant to American democracy and American traditions." The minority group included Senators Johnson (D. included Senators Johnson (D. Colo.), Thomas (R., Idaho) and Landeen (F.I., Minn.).
