Today's Pattern

LASSIE JUMPER AND CAP PATTERN 4294

There's one thing that no truly smart schoolgirl can do without for the new term—and that's a jumper. This most beloved of young-world modes is shown in a spirited new Anne Adams Pattern, 4294. Style will "go to her head" in a jaunty two-piece Scotch cap. The jumper itself is made in simple princess style with no shoulder seams in the straps. There's a fresh touch of short-sleeved blouse too. Why not stitch up two different outfits? Have one in rayon or wool plaid, with bias for the straps, center front and sides of the jumper and the band of the cap. Then make another style in, say, black, wine or green velvet.

Pattern 4294 is available in girls' sizes 6, 8, 10, 12 and 14. Size 12, jumper and cap, takes 3 5/8 yards 35 inch fabric; blouse, 1 1/8 yards contrast. Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly: SIZE, NAME, ADDRESS AND STYLE NUMBER. Be "best-dressed woman in town" on a budget plan... via the ANNE ADAMS BOOK OF PATTERNS. This wonderful magazine contains smart clothes for every member of the family, from smallest "small fry" to over-fifty. And even though you've never taken a stitch before, the crystal-clear sewing instructions that accompany each simple pattern make home-dressmaking easy fun. For more style at less cost—order our book today! BOOK FIFTEEN CENTS. PATTERN PATTERNS TOGETHER, TWENTY-FIVE CENTS. Send your order to News-Review, Pattern Department, Roseburg, Ore.
