

Yankees Massacre Cleveland, 15 to 2

Freddie Hutchinson Wins For Detroit With Mound Job And 10th Hitting Single.

By BILL WHITE
(Associated Press Sports Writer)
The Yankees looked like anything but a heavily beaten team yesterday as they annihilated the first-place Cleveland Indians, 15-2, in a brutal assault as the American league has seen all year. They hit a new high in seasonal effectiveness in that nightmarish second inning when they scored nine runs, of which four were produced by Joe DiMaggio's 26th homer with the bases full.

Board Chosen To Deal With Canada

Mayer LaGuardia of New York City Only One in Group of Five Not Federal Officers.

WASHINGTON, Aug. 23.—(AP)—The appointment of a joint U. S.-Canadian defense board cleared the way today for the start of active consultation on the problems of high strategy and military planning involved in the security of the two nations.

Six Americans, selected by President Roosevelt, and five Canadians, picked by Prime Minister Mackenzie King, will meet Monday at Ottawa for initial discussions.

Mayor Fiorello H. LaGuardia of New York was the only one of the American members named by Mr. Roosevelt last night who is not in the federal service, the others being officials of the army, navy or state department.

LaGuardia's selection came as a surprise to the capital, although as mayor of the nation's largest city and president of the United States conference of mayors he has been in consultation with Mr. Roosevelt on defense matters.

The others named by the president are: Lieutenant General Stanley D. Embick, commanding the fourth corps area with headquarters at Atlanta.

Captain Harry W. Hill, of the navy's war plans division.

Commander Forrest P. Sherman of the navy and Lieutenant Colonel Joseph T. McNarey of the army air corps, who will alternate, one sitting during discussion of naval problems and the other for army air problems.

John D. Hickerson, assistant chief of the European affairs division of the state department, who will be secretary of the American section of the board.

The Canadian members are: O. M. Bigger, K. C.; Brigadier General K. Stuart, D. S. O., M. C., deputy chief of the Canadian army general staff; Captain L. W. Murray, R. C. N., deputy chief of the naval staff; Air Commander A. A. L. Cuffe, a member of the air staff; and Hugh L. Keenleyside, counselor of the department of external affairs.

Rotary Hears Talks on Magazines, Wood, Scouts

The nature and extent of magazine reading in this area and the workings of the magazine distribution system were discussed by S. J. Shoemaker at the regular Rotary club luncheon yesterday. He compared the magazine situation of 20 years ago with the present magazine-laden counters.

Carlos Page gave a short talk on wood and wood uses, pointing out that the inventory of substitutes has not actually reduced wood and lumber consumption to any serious extent.

A report on the activities and accomplishments of the Boy Scout organization for this area was made by William Unrath.
