Detroit Ups With Sensational Win

By JUDSON BAILEY
Associated Press Sports Writer

Each September some major league club gets steaming hot. With a week of the season remaining the Detroit Tigers look like this year's "hot" team.

The heat was turned on in the American League September 4 when the Cleveland Indians and the Tigers came together in the first of a series of collisions destined to decide the championship.

Since then the Tigers have won 14 out of 18 games and the Indians have won ten and lost ten. That's why the fiction-like 6-5 triumph of the Tigers over the Indians yesterday was significant beyond its immediate effect upon the standings.

The two clubs still have five games to play with each other and in baseball anything is possible. Cleveland might win today or it might win both today and tomorrow. But Detroit has a one-game edge and in September a team that is cooling off doesn't have much chance against a club that has just reached the boiling point.

That's what the Tigers touched in the eighth inning yesterday when they blasted across five runs on six singles, five of them in succession off Mel Harder, Bob Feller and Joe Dobson.

The New York Yankees, the only other club still with a mathematical chance at the championship, were idle yesterday and their status

Insurance Company Has New Agent in Roseburg

W. G. Shugart, formerly of Glasgow, Mont., has arrived in Roseburg to establish his home here and to serve the Mutual Life Insurance company of New York as its local agent. Mr. Shugart has been associated with the company as district manager in Glasgow for nearly 20 years. A few years ago he was married and moved to Oregon. Upon their visits to Oregon, Mr. and Mrs. Shugart were so well pleased with the state that they decided to make it their home.

Although able to retire upon the income earned as a representative of the company during the past 20 years, Mr. Shugart has preferred to remain in the service and has selected Roseburg as the community in which he most desires to make his home.

He and Mrs. Shugart have rented an apartment here and are establishing their residence.
