B. P. W. C. NATIONAL
WEEK OCT. 6-13

Business and Professional Women's clubs all over the United States are celebrating National B. P. W. C. week from October 6 through the 13th and a number of interesting activities have been planned to celebrate the Roseburg club.

The most outstanding event of the celebration week will be a no-hostess six-thirty o'clock dinner to be held Thursday night at the Hotel Rose, to which all members are urged to attend. An unusually interesting and entertaining dinner program has been planned for the occasion.

Sunday morning, October 13th, the members are requested to meet at the club house at 10:45 to go in a body to the 11:00 morning service at the First Presbyterian church.

The National Federation of Business and Professional Women's clubs is 25 years old and the national and the National Business Women's week is 13 years old. The week has become absorbed into the federation year and it is looked upon as one of the outstanding publicity events of the year. It is a stimulus to program interpretation and to membership stabilization and gains coming as it does in October, it is the springboard for launching the club's intensive work for the winter.

The 1940 topic is "Business Women in a Democracy, Vote." The theme fits in neatly with the program book for the year, entitled, "Making Democracy Work," and emphasizes the fact that one of the most important methods for making democracy work is to vote.

Today's Pattern

4582

TWO-PIECE STYLE FOR
TEEN-AGE
PATTERN 4582

Every teen-age loves new, up-to-the-minute models—and here's a vivacious style after her own heart. Because two-pieces are so in vogue this season, Anne Adams has designed Pattern 4582 in a blouse and skirt combination, with the two pieces matching or contrasting. The flaring skirt is paneled both front and back. Aren't the yokes of the collarless blouse attractive, especially made on the crossgrain, perhaps with little cuffs to match? Don't miss the important buttoning all down the back of the blouse, and the darts that neatly fit the waistline all around. Velvet or corduroy are nice fabric suggestions. You might try the skirt, belt and optional tie ends all in gay contrast, as shown.

Pattern 4582 is available in teen-age sizes 10, 12, 14, and 16. Size 12 takes 3 1/2 yards 35 inch fabric.

Send FIFTEEN CENTS (15c) in coins for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER. THE NEW ANNE ADAMS WINTER PATTERN BOOK takes the American way to fashion, with its many colorful pages of original designs. There are "just right" patterns for every age; every type of American girl and woman. You'll find spirited styles for toddler, teenager, collegiate, young married and matron. Latest silhouettes in shirtwaists, two-pieces, home-maker modes, afternoon and after-dinner wear are presented. Send your order NOW! BOOK FIFTEEN CENTS. PATTERN FIFTEEN CENTS. American Legion Auxiliary Activities

By MRS. CLAUDE BAKER

For God and country, we associate ourselves together for the following purposes: To uphold and defend the constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred per cent Americanism; to preserve the memories and incidents of our association during the great war; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to participate in and contribute to the accomplishment of the aims and purposes of the American Legion; to cooperate and sanctify our association by our devotion to mutual helpfulness. Preamble to the constitution of the American Legion auxiliary.

When our nation and our free way of life is in danger, the program of service through the American Legion auxiliary has real meaning for all Americans. The women of America are recognizing that the war left many national and world problems unsolved and that to aid in the solving of these is a duty and a privilege of which they have the most vital connection with the war.

"What can we do before it is too late?" "We want secure peace!" "We want to help!" "What can we do?" Are questions women are asking. The answer is:

"Join the American Legion auxiliary."

Your husband, son, father, or brother won for you the right to be an auxiliary member. Your membership gives you the privilege of going forward with the men of your family as they carry into peace time the service they rendered during the war. Mrs. Charles Forrier is membership chairman this year. See her and join the ranks of this the largest patriotic women's group in the nation.

At the first meeting of the year Tuesday night the following chairmen were announced:

Child welfare, joint chairmen, Mrs. Arthur Midland, Mrs. H. H. Benson; community service, Mrs. Roy Young; Americanism, Mrs. Carl Wimberly; memorial, Mrs. Clinton Gorthy; poppy, Mrs. Irvin Riegel; junior activities, Louise (Mrs. James) Young; music, Mrs. Vera McClintock Summers and Mrs. Clyde Carstens; hospital, Mrs. Walter Olmstead and Mrs. Walter Fisher; finance, Mrs. J. A. Harding; national defense, Mrs. Victor Meehl; national news, Mrs. Carl Roseland; radio, Mrs. Tom Parkinson; Mrs. Harris Ellisworth; Red Cross contact chairman, Mrs. Ted Post; education of war orphans, Mrs. R. Ritzman; constitution and by-laws, Mrs. Harry Hatfield; membership, Mrs. Charles Forrier; legislative, Mrs. E. B. Stewart; Mrs. E. L. Tandy; Camp Fire contact chairman, Mrs. C. K. Allen; Boy Scout contact chairman, Mrs. Harold McKay; decoration, Mrs. George Wharton; scrap books, Mrs. Earl Pierce. Further chairmen and committees will be announced later.

Doubtless one can note from the above what the Legion auxiliary does. There will be some fun along with the serious work for truly all work and no play. . . . You know, next meeting a social hour is being planned and there will be a surprise, a big one so contact Mrs. Forrier and find out. No, this surprise has nothing to do with membership.

And incidentally, do any of you who read this like to write? If you do, will you be willing to do some of it? One cannot find time to carry an organization through a successful year in its many tasks and still write its publicity. The work is enjoyable and your many letters and words of approval for this column are much appreciated. In the auxiliary is the place where we can continue to serve most effectively the cause of peace and freedom.

POET'S CORNER

VICTORY
By BARBARA ORR
"Oh, Mommy, come quick,"
My little boy screams,
I drop down my dish towel and
run.
With visions of Dick,
And his blood gushing streams,
My fears are a thousand and
one.
I get to my boy,
I drop by his side,
My question he fondly replies,
His about is of joy,
His beaming with pride,
"My plan, Mom, it really
flies."

DAILY DEVOTIONS

DR. CHAS. A. EDWARDS

Love is a universal language. Most people need a long time to learn a new language, but every man and woman in the world understands the language of love. It is the master key of life and of the kingdom of God. Love is a fire within the human breast that goes out if it does not kindle others. Separate action from love and it becomes as sounding brass or a clanging cymbal. Take love from the Christian faith and there is left only an empty shell. The New Testament, throughout its pages, declares love to be the whole duty of man. It breathes one's whole life. Love is the greatest thing in the world. It is called, the more excellent way. Love, declares St. Paul, never faileth. Love conquers when other methods fail miserably. Why not give it a fair trial in our homes, and in our associations with our fellow-men? "If a man says I love God and hateth his brother, he is a liar and his faith is not in him, for he that loveth not his brother whom he hath seen, cannot love God whom he hath not seen." Inasmuch as ye have loved one another ye have loved God. Amen.
