nding their long war.

R. H. S. Indians To **Battle Coquille**

The Roseburg high school In-bians are girding themselves this week for a hard struggle Saturday when they meet the powerful Co-quille Red Devile on the Coquille gridiron.

defeat only to lose to Medford 6 to 9 in a post season game. The Red Devils have two victories to their credit this season, a 27-to-6 win over Bandon and a 13-to-9 victory over Marshfield.

The Roseburg team, greatly out-weighed and facing a more experi-enced foe, will be decidedly the underdogs in this struggle, but are going into the contest with a dele-

underdogs in this struggle, but are going into the couriest with a determination to protect their goal line. Which so far this year has not been crossed by an opponent.

The Indians came out of the 9-to-0 game with Reedsport last Friday with the usual assortment of bruises, but no major injuries resulted and it is expected that all players will be available for the game at Coquille Saturday aftermoon. Couch Jim Davis is giving hi

team some stiff workouts this weel and particularly is lots of skull practice to work cut scoring strategy.

Saturday's game is a non-conference affair.

Tentative City Budget Assures Tax Reduction

At the close of last night's meeting does achool patron hurled the cause of "yellow" at Kruss. A physical clash began but as quice and the proposed of the selection of the yellow at Kruss. A physical clash began but as quice and angres, declaring that displaced when bystanders intervented.

Flags Removed

Darling the meeting it came out that American flags only recently thated in the school room the latest of the ward of the particular of the "tree French" cause. Again, the prime minister kept the British on the alort against invasion dangers, declaring that displaced by unmaned persons during the day. It was also declared that an American flag and appeared to the authorities.

In an expression of sentiment in helds of the petition, all of the 75 or more school platrons present at the meeting except severe to the fact the present cause of the families of the 18th and present at the meeting except severe but he declared the petition of the petition, all of the 75 or more school platrons present at the meeting except severe to the fact that all petitions at the meeting except severe, but he declared to the authorities.

As for Spain, Churchill said, she has the welf and the proposal of the petition, all of the 75 or more school platrons present at the meeting except severe, but he health of the petition, all of the 75 or more school platrons present at the meeting except severe to the family of the petition and object the fact that all sendence of the family of the petition and present at the meeting except severes war and peace, but helds the family of the petition and object to the proposal declared the North sealing properly damage from the family of the petition and the petition of the petition of the petition and the petition of the petition

to supplying labor. Several members of the committee proposed that the appropriation for the project be increased, but councilmen contended that the funds already in sight would be sufficient to meet the city's share of the cost and, in any event, would be enough to handle the work through the year 1941 and if the project is not finished an additional sum can be included in the budget for 1942.

The committee complimented the city administration upon the way the city's finances have been handled and also upon the manner in which the budget information was submitted for the committee's guid-

submitted for the committee's guid ance.

The budget now will be advertised for the information of tax-payers and a date will be set at which any interested parties may appear before the council and recommend any changes before final acceptance is made.

The budget as outlined is as follows:
