IT seems as if an unseen but all-powerful hand has taken a deadly and destructive part in the relatively feeble efforts human beings are making to destroy the civilization of Europe.

The destruction of the oil and the oil-producing wells have, according to reports from the stricken country, been a serious blow to the axis powers...

The Pacific Coast Petroleum Industry lately reported to the public on that subject. It told its story in large display advertisements...

"America's oil companies can expand their refineries to provide aviation fuel for 50,000 planes, or even more, faster than the planes can be built."

"The United States has over half of the proved oil reserves in the world."

"Can America provide enough crude oil? Yes, there's no danger of running out of oil to make aviation gasoline or any other petroleum product."

"Thanks to the industry's voluntary conservation program, wells on the Pacific coast are operating far below potential capacity. Production could be doubled on short notice."

"Those wells tap proved oil reserves of 2 1/2 billion barrels—a 65,000 gallon tankful for every family on the Pacific coast. And to date new fields have been discovered faster than the old are exhausted."

"No imaginable swarm of bombers could wipe out these oil resources. In 58 Pacific coast fields, there are 19,730 separate wells. Even if an enemy could destroy three out of four wells, the remaining ones could then be operated at full capacity to supply the need."

"In fact, should the necessity

arise, oil could be stored back down in the wells. Petroleum engineers are already storing natural gas in this manner."

"A bomb as big as the Washington Monument could never get to these natural storage tanks, completely protected by a mile or more of earth."

Editorials on News

speech from being broadcast) said:

"The reich (Germany) is ready as never before to FACE ANY COMBINATION IN THE WORLD."

He means, of course, the British-American combination, and while he is doubtless ready to face it (because he can't help himself as to that) it's a safe guess that he doesn't relish the prospect.

Hitler isn't dumb, and he knows that America, while slow in getting started, has never lost a war.

THIS interesting dispatch comes from Tacoma, where people are acutely curious as to why the great bridge over the Puget sound narrows collapsed:

"Clark H. Eldredge, chief engineer of the bridge, is quoted as saying that federal lending agencies had insisted on use of eastern designs.

"State engineers, Eldredge asserted, protested the design. He added that the state (Washington) had been told it could not have federal grants of \$2,800,000 by the PWA and the RFC loan of \$5,500,000 unless eastern designs were used.

"The part of the eastern design protested, Eldredge indicated, was the solid, wind-resisting plate girders now blamed by some engineers for the extreme sway that wrecked the structure."

(FREDERICK LEINHARD, of New York, an associate of the bridge's designer, said in Seattle that Eldredge's assertions are not true. So the state of Washington has a controversy on its hands. The controversy, like so many of its kind, will get into politics before it is ended.)

BARBS

Meteorologists blame heat, cold, rain and drought on heavy bombing in European war. Weather by remote control is okay with us so long as the causes remain remote.

Insurance statistics show women live longer than men, again proving paint is a good preserver.

Mussolini's paper threatens us with war, if we meddle. Maybe that's his idea of booming circulation.

Fayette W. Van, man fainted in taxi. Might be a good idea to keep meters out of sight.

If you're not satisfied with your lot, here's a tip: It's nunn planting season.

Lots of persons are driving an old car because they don't owe for a new one.

Aviation official claims army's new B-24 bomber plane is faster than a bullet. My goodness, a gunman might shoot himself.

With all the ships sunk during the war, the bottom of the sea is in a hull of a mess.

When told she won second prize in a town banking contest, the mother of a six-week-old baby couldn't believe her ears.

Inflation Already Here, Research Director Says

PORTLAND, Nov. 12.—(AP)—The national defense program already has produced inflation, Dr. William Trafton Foster, former president of Reed college, said.

"The fact that inflation is already here is shown by the rise in the price of 28 basic commodities last month a rise of 3 per cent in one month. That the volume of business and employment will increase steadily over the next year."

Dr. Foster is director of the Polak foundation for economic research of Newton, Mass.

WEATHER STATISTICS

By the U. S. Weather Bureau. Humidity 4.29 p. m., yesterday 88%. Highest temperature yesterday 51.

OUT OUR WAY

Big Tom Turkey Seen as Best Buy For Any Family

By MRS. GAYNOR MADDOX, NEA Service Staff Writer

For the past 10 years our American turkeys have been getting bigger and bigger. State agricultural colleges, the Department of Agriculture and turkey breeders have cooperated to produce a bigger, heavier, smaller-boned and richer-tasting bird.

This year big turkeys, ranging from 12 to 16 pounds, are the best buy. The smaller sizes, 8 to 12 pounds, will be harder to get and will cost more.

Invest in a large tom turkey, even though your family is not large. Well-ripened, cooled turkey keeps well and you can use it all in delicious specialties. The flavor and tenderness of a large young turkey is equal to that of a small hen turkey and the difference in price per pound will surprise you for the better.

Insurance statistics show women live longer than men, again proving paint is a good preserver.

Perkins' Bid For Conference Fails

PORTLAND, Ore., Nov. 11.—(AP)—Secretary of Labor Perkins proposed conference of labor union area strikers and sawmill operators to have lunch in your kitchen. He only took a reliable butcher, one who wants to keep your trade and good will. Tell him exactly what you want and he will select the right bird for you. He knows more about turkeys than you can ever learn.

New Garbage Service Started Here Today

Bill's Garbage Service, to be managed by W. C. Hobstein, recent arrival here from Eugene, started operations in Roseburg today. Mr. Hobstein recently secured city approval of a dump grounds in the Shack Point district and has secured modern equipment for the local service.

DAILY DEVOTIONS

DR. CHAS. A. EDWARDS. Busy days are apt to be careless days. In the stress and strain of things to be done we all too often overlook the moments of devotion and Bible study. But when we do engage in the practice of the presence of God, how rewarding are those moments. Those who take the time to look into the hills from whence cometh their help in the early morning hours find that He is with them all the day. The burden may not be any lighter, but they are more easily borne. We are not promised less of trouble, but we know that troubles are less troublesome when the unseen presence of God is with us. The road may not be any smoother, but we can go the rough road, the better and with greater ease when we have learned the art of waiting upon God. How true it is "that they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint." We miss very much in life's journey, when we neglect and forget to wait upon the Lord for strength, Amen.

MAP PUZZLE

ANSWER TO PREVIOUS PUZZLE. HORIZONTAL: 1 Map of African colony, 7 It borders on, 13 To listen, 14 Palm thatch, 16 Audibly, 17 Root final, 18 Russian emperor, 19 Faint color, 20 To cook in fat, 21 Public walk, 22 To repurchase, 24 Decorative mesh, 25 Seal, 26 Mead, 29 To assign anew, 31 Rubbish, 32 Mongrel, 33 Whirlwind, 34 1/2 foot, 35 African farmer, 36 Measure of area, 37 Promise, 38 Storehouses. Vacant Dwellings In Oregon Shown

WASHINGTON, Nov. 12.—(AP)—The census bureau reported today that Oregon had 31,491 vacant dwelling units on April 1 last, or 8.6 per cent of all the 367,435 dwelling units in the state.

The report was made on the basis of reports by local supervisors. The bureau classified as "vacant" dwellings which were for sale or rent, seasonal dwellings, and those held by or for persons who reported their "homes" were elsewhere. States with large resort areas therefore showed a high percentage of vacancy.

The percentage of vacancies in the individual states ranged from 3.2 per cent in West Virginia to 15.9 in New Hampshire. It was lowest in the east south central division of states (Kentucky, Tennessee, Alabama and Mississippi) and highest in New England.

States which had shown population losses between 1929 and 1939 did not have high vacancy rates, with the exception of Vermont, where the rate was 13.1 per cent. The report said the number of private households had increased 15.3 per cent throughout the country, as against a seven per cent increase in the nation's population between 1929 and 1939.

Hot Seat

TREMONTON, Utah—John Laub found two sticks of dynamite rolling loose among his tools under the seat of his truck. He decided they must have slipped under the seat while he was hauling a load of explosives—30 days ago.

LaGrande Still Unbeaten in High School Football

By FRED HAMPSON, Associated Press Staff Writer. In LaGrande, a high school football team that suspended the teams on the first half of its schedule but barely got over those on the last half, finished its regular season yesterday by sweating out a 7-6 victory over Baker.

It was LaGrande's third one-point victory in four weeks and the fifth consecutive game the Tigers won by six points or less. LaGrande lost many a game this year.

The state's once-defeated teams produced more impressive Armistice day showings, however. Bend, stopped by The Dalles, declined the strong Klamath Falls eleven, 7-0; Newport came back after last week's loss to Marshfield by swamping Toledo, 37-0. Hood River rolled over Hillsboro, 32-0. Medford swamped Ashland, 41-0, and Astoria whipped Tillamook, 21-0. Salem, however, had a job of it to defeat Eugene, 7-6. Beaverton, only once beaten, blanked Forest Grove, 20-0. The Dalles had punch enough to take a 7-0 decision from the Pacific university frosh. West Linn, another team with a smart record this year, fell before a neighborhood opponent, Oregon City, 21-0.

Milton-Freewater turned on Pendleton, 24-0, in something of an upset. Albino, one of the most potent of the no-name leaguers, had little difficulty with Corvallis, 18-0.

Other scores: Myrtle Point 19, Coquille 9; Philomath 6, Junction City 0; Reedport 7, Bandon 0; Cottage Grove 2, University high 0; North Bend 13, Marshfield 0; Springfield 6, Sweet Home 9.

Roseburg Eleven Defeated 34 to 0 By Grants Pass

By HOWARD APPELGADE. A powerful Grants Pass high school football team handed the Roseburg Indians a 34-0 shellacking in the annual Armistice day football game at Grants Pass.

Taking the opening kickoff back to a touchdown in nine plays, the Cavemen powered their way over the Roseburg goal line four more times and added four out of five conversions attempts to complete the rout.

Led by Davis and Jerke, the Cavemen pointed to their first touchdown in less than four minutes with a 55-yard sustained drive. Late in the first quarter Young's pass was intercepted at the Indians had driven to the Grants Pass 23-yard stripe, and from there the Cavemen drove 71 yards to their second score, a march including a 48-yard punt return by Jerke. Fleet Grants Pass half-back.

Midway in the second quarter the Cavemen added their third touchdown. After driving to the one score, only to have it called back because of an offside penalty, they took Young's punt and drove back to the Roseburg 14, where Cookson recovered Allison's fumble. However, on the next play, Young fumbled and Huddleston recovered for the Cavemen on the Roseburg 14 and Grable scored on the effective quarterback sneak play which had the Roseburg defense baffled time and again.

The third period was a stand-off punting duel between Young and Davis with neither team threatening until late in the period, when Grants Pass started a drive from their own 32 and moved down to the Roseburg 5-yard stripe as the period ended. Davis, the Grants Pass fullback, carried the ball over a score on a kick down as the last quarter began.

After receiving the kick-off, the Indians were unable to gain and Young got off a 52-yard kick to the Grants Pass 35. Again the Cavemen started a scoring drive. A pass put the ball on Roseburg's 21-yard line from which the Indians, a substitute back, rared 18 yards through the whole Indian team to score standing up.

The Indians frantically took to the air with Young completing passes to Cookson and Wimberly to the Grants Pass 20-yard line, but here the attack bogged down and the Cavemen took the ball on downs and marched back into Roseburg territory as the game ended.

Victors Display Power

Grants Pass, considered one of the best of the state's high school teams, demonstrated exceptional power in running plays, led by three outstanding players. Led by Davis, Jerke and Grable. The two Grants Pass ends, Martin and Allison were stars on defense.

For Roseburg, Marcus Wells, Gerald Denny and Tom Shrum played a particularly good defensive game. Bert Young, the sensational sophomore punter maintained his kicking record, making an average of 24 yards per try. He played the entire game. Larry Grable and fullback, played his usual hang-up game. Gerald Cookson, substituting for Elwood McLaughlin, left behind with a severe cold, played his first varsity game and made a good showing.

Lineups: Roseburg: Pns. Grants Pass: T. Anderson, L.E. Mattin, Vincent, J.T. Clark, Parr, L.G. Inman, Harrison, C. Bormuth, Shrum, R.G. Badley, Weile, R.P. Lamphear, Denny, R.E. Grable, Cookson, R.H. Jerke, Wimberly, R.H. Pruet, Young, L.H. Davis, L. Anderson, F. Davis. Roseburg substitutes were Weaver, Cox, P. Cacy, Eldon McLaughlin, Holmquist. Grants Pass used nearly all of its reserves.

Table with City League Standings. Columns: Team, W, L, Pct. Rows include Uniqua Cleaners, Roseburg Alleys, Dunham's Transfer, Elks Club, Copco, Texaco, Sandy's Place, Utne Bros.

The Uniqua Cleaners crowded the Roseburg Alleys out of first place in the City Bowling league last night through the help of the Texaco keglers, who took three straight from the Roseburg Alleys. The Cleaners, meanwhile, were taking two out of three from Dunham's Transfer. Sandy's Place won two from the Elks club. Utne Brothers continued their climb from the cellar spot after a poor start by beating Copco two out of three games. High score, 215, was rolled by Henry Miller, and high series score, 551, was rolled by Floyd Daughman.

Tonight at 8 o'clock picked tennis from the Elks and Elks lodges will roll a match for a turkey dinner and the games.

Texaco, Dunhams, Elks Club and Utne Bros. have entered the state tournament to be held at Marshfield Nov. 22 to Dec. 5. It was announced today. In this women's tournament, the girls representing Sandy's Place will be entered in the booster class and the Deer Creek dairy will be entered in the C class.

The Pacific Greyhound team from Roseburg in the open division will roll team event on Dec. 7 and doubles and singles on Dec. 8.

Industrial League Schedule Wed., Nov. 13. 6:50 p. m.—Douglas Mills vs. Valley hotel; Montgomery Ward vs. Hansen Motors. 9:00 p. m.—Safeway stores vs. Union Oil; Standard Oil vs. Shell Oil.

The Pacific Greyhound team from Roseburg won the Lion's share of prizes in the Eugene homecoming tournament in Eugene Sunday. The Roseburg team won first place in team events with a score of 2387. Other high teams were Coca Cola 2321, Eugene Sand and Gravel 2754, Jones Super-Service 2709 and New Deal Alley 2617. Scores of the Roseburg keglers were: Hengstorf 543, Pruitt 651, Stillwell 542, Ross 552, Day 571.

Pruitt and Ross won the doubles with 1216 and Hengstorf, teamed with Meyer of Eugene, won third place with 1770. Ross of the Greyhound team is a co-favorite with Martin Lazor Blades, two-year state champions, of Portland, to take the state championship at Portland. The two teams were tied for fourth place at the Northwest championship tournament at Tacoma in May of this year.

Dodgers Purchase Higbe From Phils

NEW YORK, 12.—(AP)—If Brooklyn's baseball fans don't get to see the Dodgers in the world's series next year, there's one standard complaint they won't be able to use.

That is that the club won't put up the money to buy the kind of ball players it needs to win.

With the purchase of Pitcher Kirby Higbe from the Phils yesterday the Brooklyn boss, Larry MacPhail, became the successor to Tom Hawley of the Boston Gold Sox as the club's freest spender. He has been the buyer in the two big cost deals of the past year.

Just how much money the Dodgers paid for the 25-year-old right hander wasn't announced, but best estimates put it at \$100,000. Brooklyn also sent Vito Tamulis and Bill Crouch, pitchers, and Thompson Livingston, a catcher drafted from Springfield of the eastern league, to the Phils. The combination of cash and players comes close to fitting the \$150,000 release tag that Owner Gerry Nugent had paraded on his star hurler.

Brooklyn's other big venture into the ivory market was last June, when the Dodgers sent cash and four players to the St. Louis Cardinals for Joe Medwick and Curt Da-

vis in what was figured as a \$200,000 deal.
