he can't afford to wait four years, while we can.

HE continues: The European war can now he concluded only with the de-

struction of the modern Carthage -England. For years old Cato croaked, every time he arose in his place in the Roman senate: "Carthage must be destroyed!"

The Romans did destroy Carth age-leveled it to the ground and plowed up its site-but so weakened themselves in the long proces that Rome ultimately fell. It might be a good idea for Mus

solini to read a little history.

HE adds significantly: "Italy must be prepared for MORE SEVERE SACRIFICES." That is an admission that he missed the boat when he thought he was comine in just in time for an easy finish and a pleasant division of the spoils.

LOOK, however, for something drastic to happen soon. Little Greece mustn't be allowed to get away with licking hig Italy.

That's had for prestige-as Sta decided when little Finland was giving him a trouncing. He simply HAD to spank Finland, and ultimately did by overwhelming the Finns with superior numbers, When a good little man fights

an IMMENSELY STRONG (not necessarily good) big man, there is apt to be only one outcome. THERE are bluts from Switzer-

U. S. Naval Mosquitoes With Deadly Sting

Newest, smallest, and by far speedlest additions to Uncle Sam's rapidly expanding navy are the four motor torpedo boats pictured above at the Brooklyn navy yard. The insignia of the new fleet, of which six boats have been delivered, with 14 more nearly complete, is aptly a torpedo-carrying mosquito. Mosquitoes indeed, the craft are 70 feet long, capable of 72 miles an hour, and carry four torpedoes, two twin machine guns.
