

News of 4-H CLUBS

The 4-H club leaders of western Oregon will hold their annual conference on Oregon State college campus next Monday, Tuesday and Wednesday, January 20, 21 and 22. The conference, according to County Club Agent E. A. Britton, is for leaders of all types of 4-H clubs. The program will be a full one, beginning at 11 o'clock on Monday and running through until 1:30 on Wednesday. The conference will include sections for leaders of the different types of clubs, and of course will have some general assemblies, and one evening banquet and social hour. All leaders going from Douglas county should register with Mr. Britton at once in order to have good accommodations while at Corvallis.

The local leaders of Lookingglass met at the home of Ernest Voorhies Saturday to plan for the year's program of 4-H club work in that community. It is thought that clubs will be organized in both beginners and advance clothing, marketing, the first and second divisions homemaking, sheep

E. A. Post Heads U. S. Employees' Convention Plans

E. A. Post has been named chairman of the convention committee of the Roseburg local, No. 439, National Federation of Federal Employees. The Roseburg local will be host to the federation's state convention to be held here in May. Committees are being named to conduct the convention arrangements.

Plans for the state meeting occupied considerable time at the local's business meeting held at the Jean Rice home Friday. Robert F. Harvie, newly elected president, conducted the meeting. Woodrow Whittenburg, Earl McCoy, Allen Green and Harry F. Moore were welcomed as new members.

Open discussion of the purposes and accomplishments of the organization was held with emphasis upon the fact that the national federation is strictly an organization of employees of the federal government and has no outside affiliations or connections of any kind.

Arrangements were made for a public dance to be sponsored by the local group on the date of Jan. 18.

DAILY DEVOTIONS

DR. CHAS. A. EDWARDS
Religion can save us from our worst. Did you ever let your imagination play upon how mean you could be if you let yourself go? Most of us do not need to use our imaginations; we really and truly know from past experience. Far be it from us as Christians to feel any pride in our attainments. As John Wesley said, we know that, but for the grace of God, each of us has sinned enough to warrant our own ruin, and perhaps bring the ruin to our loved ones. There is no moral malady, thank God, that Jesus has not cured. He can save us from our sins, and from ourselves. Religion can save us to our best. All persons, however low they have gone in sin, have some aspirations and ideals. You will often find these where they are least expected. Religion can take that which is noble within us and nurture it until our lives blossom into the beauty of Christ-like living. But we must give Him the opportunity. Amen.

Conservation Assn. of Douglas Retains Officers

Former officers will continue to direct the activities of the Douglas County Agricultural Conservation association for another year. B. F. Nichols was re-elected chairman, R. R. Clarke vice-chairman, and L. S. Compton regular member. Willard Smith and John H. Ferguson were elected alternate committeemen. Very few changes occurred in community committees for 1941.

Members of the county committee will attend a state-wide meeting of county committeemen, secretaries, and assistant secretaries of county agricultural conservation associations at Corvallis Wednesday, Thursday, Friday and Saturday of this week, where details of the 1941 program will be discussed. It is expected that following the Corvallis meeting full details of the 1941 program will be available to farmers of Douglas county.

Work for completing the 1940 program is well along and all compliance forms will be completed by February 1 for checking and the preparation of applications for payment. Many farmers did not get to earn their full farm allowances owing to weather conditions during the fall months.

which prevented the planting of a considerable acreage of winter legumes. However, it is expected that the benefits received by the farmers of Douglas county from the 1940 program will be about equal to those of 1939, which amounted to approximately \$72,000.00.

M. O. A. Club to Meet—The M. O. A. club will meet Wednesday afternoon at the home of Mrs. E. G. Cloake.

and general livestock. Those present at the meeting were Mrs. Ernest Voorhies, Miss Maybelle Strickland, Ben Jacoby, Alvin Heard, George Marsh and E. A. Britton, county club agent. Mrs. Alta K. Thompson, Mrs. Mary Jacoby and Mrs. Edna Matthews expressed themselves as desirous of leading clubs but could not be present at the meeting.

At the Haines school, near Elkton, six members organized a camp cookery club, with Miss Florence Haskell, teacher of the school, as their leader. These members are: Donna Jean Haines, Betty Jean Godell, Jewell Sanborn, Victor Harjan, Jay Sanborn, Earl Sanborn.

In addition to the camp cookery, the three girls will carry the first division of clothing. Their mothers will serve as their club work advisors.

Dillard has a cookery club, which will do the luncheon project. The club consists of Shirley Wilson, president; Wanda White, vice-president; Phyllis Buell, sec-

retary; Roylene Daniel and Lona Woodruff. Mrs. Virginia Laurance will serve as leader of the club.

Sixteen pupils of Sylmon Valley school are carrying a camp cookery project under the leadership of Miss Helen Haley. Members of the club are: Bill Sleverts, president; Joseph Sutter, secretary; Buster Bixler, Margaret Bond, Lloyd Broady, Howard Newport, Betty Williams, Donna Sutton, Dorothy Ann Bond, Lorine Newport, Ruby Newport, Robert Rose, Ardele Bixler, Dick Sleverts, Jimmy Sutter and Dorine Rose.

I. B. Nichols of Brockway is leading a livestock club of five members in that community. Four of the boys are carrying sheep projects and one a rabbit project. The club consists of Warren Burks, president; Richard Nichols, vice-president; Bobby Swan, secretary; Carol Schattentkerk and Teddy Schattentkerk.

Another club of Brockway is that of the health club, with a name which includes all the four H's—Healthy, Happy, Husky Head. There are 16 members in the club, which is led by Mrs. Violet Wilshire. Officers are: Teddy Schattentkerk, president; Norma Boone, vice-president, and Ernest Fisher, secretary.

A group of boys of Drain have organized for hobby club work in airplane building, with Mr. Phil Varley, druggist, directing its activities. The boys elected Jack Hedrick president, Paul Rising vice-president and Clem Huekins secretary.

DAY'S CREEK 4-H CLUB NEWS

(By MARGIE WRIGHT)
The Days Creek eighth graders organized a Marketing club at the school Monday, with Miss Marjorie Church as local leader. Officers were elected as follows: Lois Ellen Matthews, president; Dorothy Brown, vice-president; Jean McGee, secretary, and Berdean Perdue as song and yell leader. The requirements of the work were discussed. The first lesson was handed out to each of the members, which is to be studied by the time of the next meeting, Tuesday, January 14. It was decided that the club meet every week, on Monday and Tuesday alternately. At the next meeting each member will answer roll call by a suggestion for the name of our club. Members of the club are: Lois Ellen Matthews, Jean McGee, Dorothy Brown, Berdean Perdue, Maxine Wright, Robert Wright, Eldon La Chance

and Leland Van Norman. The Days Creek cookery club and their local leader, Mrs. C. L. Miller, held a meeting last week. After the regular business meeting several cards were handed to the local leader to be signed. Mrs. Miller gave a very educational and interesting talk on milk.

The Woodcrafters Forestry club of Days Creek held a meeting at the school Wednesday. After the business meeting, the following topics were assigned to the members for them to gather material on in order that sometime in the near future they can lead the club in a discussion on their topics: Forestry and Economics of Forests; Harry Wooster; wild life, Norval Ferguson; fire laws and fire protection, Melvin Welch; recreation and local tree identification, Margie Wright; mining, Clifford Wooster; forest grazing and water power, Marshall Matthews; local flowering shrubs, Maxine Wright; wood identification, James Ward. Margie Wright will lead the club in discussion of the local tree identification for the next meeting, at which she will show samples of local trees for discussion.

The Days Creek cooking club and its local leader, Josephine Wright, held a meeting at the school last Wednesday. All members answered roll call with suggestions of a name for their club. The name "Happy Cookers" was chosen. The local leader explained the score chart of correct food habits to be kept for a period of two weeks. Hazel Welch will give a report on "soup" at the next meeting. Mrs. Ray Spencer and Mrs. Ray Wright were visitors.

(By CLIFFORD WANDELL)

The Millwood Special was called to order by President Clifford Wandell last Wednesday. Under the new business we decided to have parties once in a while. The president then turned the meeting over to Melba Leonard, head of the program committee. We had songs and yells. We then had our health lesson.

TENMILE NEWS

(By EVELYN HAHN)
The Peppy Cookers held their regular cookery club meeting Tuesday of last week. The meeting was called to order by President Jack Cabot. We talked about the possibilities for having a program to get money for a summer school scholarship. Olive Kroiger and Ralph Swift will demonstrate a potato salad at our next meeting. At the next meeting we will bring and judge some vanilla drop cakes.

ANOTHER PLUS VALUE IN "CATERPILLAR" DIESELS

Fuel System
Needs No Adjustment

The "Caterpillar" Diesel Fuel System is absolutely foolproof—not one mechanical adjustment necessary. Parts are individually replaceable... they are fully protected by especially designed fuel filters. No timing necessary.

A few more reasons for trouble-free operation.

Better than a dozen hankies for opening STUFFY NOSTRILS

What's the use of sniffing so many hankies, trying to blow mucus out of stuffed-up nostrils? It only piles up the laundry bill. And remember, a lot of violent blowing only makes your nose more sore, red, unightly, and it very often injures the delicate membranes.

A more economical and gentler way to relieve congestion in your nostrils due to a cold is to insert a little Mentholatum.

This delightful ointment will soon break up congested mucus, relieve the smothering feeling, and permit you to breathe normally through the nose. It also relieves sniffing, sneezing, swelling, soreness, and redness.

Mentholatum helps in so many ways that you should always remember this: For Discomforts from Colds—Mentholatum. Link them together in your mind.

MENTHOLATUM

Ward Store Heads Go To Preview of Appliances

H. A. Stucky, manager of the Roseburg Montgomery Ward store, accompanied by Roy C. Clark, department head, and Robert Hansen, service man, left today for Portland to discuss sales plans for the 1941 electric refrigerators and home appliances. A preview of new models is being held with managers, assistants and district and regional supervisors of the company in attendance.

Mr. Stucky reports that a vigorous sales campaign is to be conducted in connection with the 1941 models, which, he states, offer many new advantages and improvements.

City Officers Installed By City of Yoncalla

YONCALLA, Jan. 14.—At the first meeting of the year of the Yoncalla city council, the following officers took the oath of office: Mayor, Mrs. Chad Daugherty; councilman for two years, Jean Cowan; councilman for four years, Eric Stenseth and Harley Stonaker; recorder, Clifford Hanan; treasurer, Mrs. B. F. Roberts. The officers were sworn in by retiring Recorder Carl Johnson, Ben Irving and W. E. Swartz, representatives of

Gas Station Will Open Under New Management

The General Petroleum station, located at Oak and Stephens streets, will be open Wednesday under new management. The station has been leased from Fred Lockwood by Kenneth Ellison and Waldo Campbell, who are taking immediate possession. Both have had several years of experience in automobile service work.

ONLY \$25 MORE FOR AN EIGHT IN ANY MODEL

De Luxe "Torpedo" Six Two-Door Sedan \$874* (white sidewall tires extra)

MANY PEOPLE FIND it hard to believe that a new Pontiac "Torpedo" costs as little as it does. That is easy to understand. Pontiac looks like a lot of money. And the luxury of its Fisher body adds definitely to that impression.

In reality, however, Pontiac prices are within reach of any new car buyer. They begin at \$328 and progress upward in very easy stages.

What's more, owners say that their Pontiacs are very economical to operate. If you're planning to buy a new car soon, be sure to consider a Pontiac "Torpedo." It's built right and priced right to give you more for your money.

PONTIAC PRICES BEGIN AT \$328 FOR THE DE LUXE "TORPEDO" SIX BUSINESS COUPE

*Delivered at Pontiac. State tax, optional equipment, accessories—extra. Prices subject to change without notice.
