

House of David Hoopsters to Play All-Star 5 Here

The colorful, bewhiskered House of David basketball team will meet a group of Douglas county All-Stars in a game to be played at the senior high school gymnasium at 7:30 p. m. Monday.

Organized in 1931 by George H. Johnson, American Association Basketball league umpire for 27 years, the House of David team has played about 125 games each season in western states, Mexico and Canada, travelling about 22,000 miles each year and winning about 90 per cent of the games played.

The team offers clever ball handling and comedy to amuse the fans. Basketball critics have voted the team one of the most entertaining in travel basketball.

Members of the team include Floyd "Red" Johnson, forward, 6 feet, weight 175 lbs., Central Normal college, Indiana; Wayne Payton, 6 ft., 2 in., center, weight 170, all Indiana state choice in 1938; Oliver Trough, guard, 5 ft., 10 in., weight 185 pounds, all Indiana State guard, 1939; Lee Richardson, guard, 6 ft., 2 in., weight 180 lbs., Franklin college; Bernard Norton, forward, 6 ft., weight 165 lbs., Indiana State college; "Runt" Tolbert, 5 ft., 9 in., forward, Indiana State college.

The All-Star team will include the following:

Herman Schwartzkopf, former Kansas State all conference guard; two years on all-state high school team at Alexander high school, Kansas.

Cliff Horner, University of Oregon three-year letterman; all-state high school player on Eugene high school state championship team.

Marshall Pengra, former Independence, Ill., high school star, and University of Chicago letterman.

Jim Davis, former Albany college letterman; all star player in Northwest conference; prepped at Albany high.

Jim Watts, former University of Oregon three-year letterman; all-city high school player at Polytechnic High school, San Francisco.

Fred Dent, former Roseburg high school star and in late years member of outstanding independent teams.

Bert Avery, Sutherlin high school star and former Glendale independent player.

Bewhiskered Hoopsters Coming Monday

The House of David basketball team, one of the most colorful quintets in the nation, will meet the Roseburg All-Stars in a basketball game at Roseburg senior high school gymnasium at 7:30 p. m. Monday, Jan. 27. All net proceeds from the game will go to the senior high school athletic fund, as all local players are donating their services for the benefit program.

Indians To Battle Grants Pass And Astoria This Week

By "HAP" APPLIGATE
Roseburg's league-leading Indians face a pair of tough basketball tilts this week-end when they meet Grants Pass in a league game Friday night and play Astoria in a King's-X contest Saturday night.

Grants Pass, which so far has not won a game in conference play, was beaten again Tuesday night when Ashland turned in a 38 to 20 win. The Astoria Fishermen, listed as one of the strongest high school teams of the state, beat Tillamook 46 to 33 Tuesday night.

The Indians hold two victories over Grants Pass this year, both being low-scoring, hard-fought encounters. The Cavemen used a zone defense against Roseburg in both games, accounting in part for the low scores, as the zone defense tends to slow down the speed of the game.

Although the Indians hope to win over Astoria, Coach Watts declared that it is more important that they win their conference games and thus retain league leadership, so there will be no sacrifice made in Friday's game to conserve strength for Saturday's tilt.

Astoria's attack, according to advance information, is paced by Seeborg, all-state guard from last year. The Flying Fishermen use fast breaks and are noted for accurate basket shooting.

Due to the requests of many business men and other fans who are employed late Saturday evenings, the starting time for the game with Astoria has been moved from 8 p. m. to 8:30 p. m., Coach Jim Watts announced today. A preliminary game between Sutherlin high school and the Roseburg B team will start at 7:30 p. m.

The time for the Grants Pass game to be played Friday night remains at 8 o'clock, as previously announced. There will be no preliminary.

Birth of Basketball

Dr. James Naismith invented basketball 50 years ago while a physical director at Y. M. C. A. College in Springfield, Mass. He wanted to relieve monotony of Indian club and dumbbell swinging exercises.

Peach baskets were hung at each end of gym as goals. Players tired of clambering up a ladder to retrieve the ball, knocked bottoms out of baskets.

To guard against injuries, Naismith decided stress should be placed on passing rather than carrying the ball. Rules forbade man in possession of ball to take more than one step.

COUNTRY LUB CHAT

Despite weather conditions Sunday, 16 local golfers participated in the handicap tournament. Dr. Van Ness took first place with a net score of 61. Ward Cummings was second with 72, Maurice Hallmark third with 74, and Deb Day took consolation prize with 87. Dr. Van Ness was low medalist with a very fine 79.

The tournament committee has decided to make two divisions in the handicap tournaments to be played each Sunday. Players with a handicap of 18 or more will be in the second division while those of 17 or less will be in the first division. Two prizes will be awarded in each division, thus giving all players a better chance to win.

The committee is urging every member to take part in these pre-season handicap tournaments and is making preparations for a large turnout next Sunday. Plans are being completed by

committees for the stag party to be held Friday, January 31, and the Valentine dance, Saturday, February 15. The club is also planning on numerous entertainments throughout the year for club members and their invited guests.

The newly-installed tee at the third hole was used last Sunday. Many favorable comments were heard. It not only improves the hole but makes a very snappy three par hole in place of the old four par. Other improvements are to be made as rapidly as possible.

"Chuck" Thompson, now located in Roseburg while employed with the state highway department, and Ed Radigan of Roseburg were among the visitors taking advantage of the course privilege Sunday.

Mr. and Mrs. R. F. Scott of Eugene, the former a cousin of Mrs. Paul Morgan, were house guests of Mr. and Mrs. Morgan over the week-end and Mr. Scott and Mr. Morgan enjoyed Sunday on the golf course.

Harry Price, a member of the state police department, located at Florence was in Roseburg on business and pleasure Monday and spent a few hours making a round of the local course.
