## R. H. S. Indians Set for Battles With 2 Opponents

The Roseburg high school Indians were reported in good condition today for a tough week-end schedule, in which they will play the Grants Pass Cavemen tonight and the Astoria, Flying Fishermen Saturday.

The double contest offers many difficulties, inasmuch as the Indians dare not relax in tonight's game for fear of dropping a conference tilt, and therefore will be unable to conserve energies for tomorrow night's contest, expected to be one of the toughest of the season, although not counting in conference play.

While Grants Pass is at the bottom of the conference schedule, the Cavemen form a dangerous squad. The team plays a particularly hard-driving game and is a hard one to beat. Roseburg's only hope to conserve energy would be to pile up a sufficiently wide margin in the early part of the game that substitutes could carry on in later periods. Tonight's game will start at 8 o'clock.

Saturday night's game, due to demands from merchants and others employed in local stores until a late hour, will not start until 8:30 o'clock. A preliminary, however, will be played starting at 7:30 p. m.
