## Plot Jails Cuban Army, Navy Chiefs

HAVANA, Feb. 4.—(AP)—President Batista told the Cuban army, navy and police forces today that he had arrested their chiefs to suppress a seditious plot.

Authorities declared that the group conspired to overthrow Batista and that he had feared for his own safety.

In his address Batista said the conspirators conferred with officers of the police force, the army and the navy, ordering them to choose between them and the president to determine who should have control of the country.

Those arrested were Col. Jose Pedraza, army chief since Dec. 6, 1939, and national police chief since Saturday, and Lieut. Col. Angela Gonzalez, navy chief. Pedraza became head of the army when Batista resigned the post to run for the presidency.

Authorities said there was no Nazi or communist complexion to the alleged plot.

Batista said the climax of the situation he faced came yesterday when Colonel Pedraza sent an aide to him asking for an interview. He considered this showed a lack of respect for the president's authority.

## IF YOUR CHILD IS PALE AND THIN

The reason may be WORMS!

Roundworms may be keeping your child underweight, pale, weak. And anybody, anywhere, can "catch" this dreadful ailment. Yes, the worms may be inside your child right now, robbing vital nourishment, and causing uneasy stomach, restless sleep, itchy nose and seat, and even worse trouble! Don't let your child suffer! If you even suspect roundworms, get Jayne's Vermifuge today! It acts thoroughly, yet so very gently that if no worms are there, it works merely as a mild laxative. Jayne's is America's leading proprietary worm medicine; scientifically tested and used by millions for over a century. Insist on Jayne's Vermifuge.

## Niemoeller Turns To Catholicism

BERLIN, Feb. 4.—(AP)—Protestant circles received reports today that the Rev. Martin Niemoeller, fighting Lutheran pastor and world war submarine commander who has been in prison or concentration camp for the past 43 months, had become converted to Catholicism.

It was understood that Niemoeller had been studying Catholic writings for months in his cell at the Sachsenhausen concentration camp and had told friends that he believed Catholicism was the best form of Christianity.

It is understood that German authorities have constantly made but one demand upon him as a condition for his release—namely, that he sign a statement not to preach again. Obviously, as a married man and the father of a large family, he cannot become a Catholic priest.

Niemoeller, who achieved a distinguished world war record as a submarine commander, was taken into custody in 1937 after he attacked the state's stand regarding the church, claiming that it had no right to interfere with the internal management or spiritual freedom of the church.

Friends of Niemoeller said last September that he had volunteered to resume his service as a submarine commander, but that he had been turned down by Nazi authorities.
