Screwball Roster Opened to "Goofs"

ANGOLA, Ind., Feb. 4.—(AP)—Screwballs of America, Inc. threw its membership open today to the nation at large—or at least to whatever part of it might consider itself eligible to belong.

The society, formed about two years ago, incorporated yesterday under Indiana law.

Papers carried the provision that any city enrolling 25 "certified screwballs" should be given a charter.

The ambitious little fraternity was founded on the principle that many human beings are created somewhat balmy.

Lawyer Kenneth Hubbard, who has the title of recording screw in the mother chapter, said that persons who wanted to join might qualify very simply—and he used the word advisedly.

"They have to do something a little off center to be eligible," he explained.

For example, one Angola business man went to Florida and forgot to take money along. He was inducted as soon as he got back.

Flower Given to Office—A very beautiful deep-rose colored camellia blossom was presented to the chamber of commerce office this morning by Mrs. Roy Hutchings, who resides on Blakeley street.
