U. of O. Quintet Wins 2nd Straight From Washington

(By the Associated Press)

The Washington Huskies revamped their lineup last night but they couldn't check their northern division, Pacific coast conference basketball losing streak, dropping their second straight to the Oregon Webfoots in Eugene 37-35. It was their fourth consecutive setback in their first road trip of the season.

They owed their upset to Hank Anderson, who, in spite of a knee injury, went into the game with less than two minutes to play and sank the winning field goal for the Webfoots.

The Huskies, who had fought the Webfoots on even terms throughout the contest and held a 38-35 lead in the fading minutes tried desperately to hang on to the ball and rather than lose its possession refused a free throw when Guard Paul Jackson committed a foul.

Soon after Anderson entered the game Guard George Andrews broke up a Washington pass to give the Webfoots possession of the ball.

Two conference games are slated for Saturday night. The conference leading Washington State Cougars meet the Idaho Vandals in Moscow and the second place Oregon State Beavers invade the Webfoots' lair.

R. H. S. Hoopsters Score 29-19 Win Over Grants Pass

The Roseburg Indians, apparently recovered from their last week's let-down, when they lost to both Ashland and Medford, turned in an impressive 29 to 19 victory over the Grants Pass Cavemen at Grants Pass last night.

The Indians played their best defensive game of the year during the first quarter, holding the Cavemen without a field goal until near the close of the period which ended with Roseburg out in front 14 to 3. The second period, however, saw the Indians easing up on their defense but they were still out in front 17 to 9 at half-time.

Following a "conference" with Coach Jim Watts during the rest period, the Indians came back on the floor to play good ball again during the third frame in which they ran the score up to 26 to 13. The last period was ragged as both teams started running.

Coach Watts was greatly pleased by the come-back on the part of Royal Denton, Roseburg's towering center, who despite a chippled bone in his foot played his best game this year in handling backboard recoveries. Ward also played a good defensive game while turning in high score of 11 points for the Indians.

Ashland Rosters Coming.

The Indians, still out in front in District No. 4 standings, have three games left to play in conference schedule, and have the advantage of playing two games on the home floor. Medford will play here Saturday, February 8, and Ashland will play here the following week. Roseburg goes to Medford February 21.

The Roseburg players particularly are pointing the Ashland game as a result of publicity appearing in state papers today announcing that Ashland is arranging a "victory dinner" in Roseburg following the game on the 15th. The Ashland Quarterbacks club, it is reported, has chartered a special bus to bring about 40 of the club members to Roseburg for the game and J. H. Hardy, president of the booster organization, was quoted as having arranged for the victory celebration. The Roseburg players are determined, they declared today, that the dinner shall be a "bean feed." Roseburg has won two games from Ashland and lost one.

In addition to the three remaining conference games, the Indians will play the U. of O. Frosh here Tuesday, February 11, and will go to Corvallis February 25 to play the O. S. C. Rocks.

Japs Launch New Drive to Cut Off Chinese Supplies

HONGKONG, Feb. 5.—(AP)—Japanese reported today their new drive from the Kwangtung coast was making good headway, with Japanese army planes supporting ground forces by bombing and machine-gunning Chinese positions.

The Japanese landed at dawn yesterday north of Hongkong for an offensive they said was aimed at cutting the route over which large quantities of Chinese war supplies allegedly had been flowing into the interior from the colony.
