American Legion Auxiliary Activities

By MRS. CLAUDE BAKER

One of the biggest and best meetings of the Umpqua post and its auxiliary will be held at . . . not the armory as usual but at Days Creek! Everyone who has ever attended says its an experience not to be missed. That is Tuesday night at the Lavadora hall which is located four or five miles beyond the Days Creek store, on the right. Anyone wishing further information may call James Young at 631-L or myself at 370. We want a large crowd, an enthusiastic crowd, a crowd forgetful of its twenty odd years of post and unit existence. March 21 will mark the birthday of the Legion once again. Come and hear plans for this.

Boy Scout week is over, but the good each citizen did who contributed to the fund will never die. With your aid these boy scouts and girls of the Campfire are enabled to absorb mental, moral and physical training which will prove an asset to our America as they reach maturity. Better to train in American ideals now than to need the restraining hand of the law later. Chief Scout Executive James West said: "Those of us in scouting are going to rally as we have never rallied before, to do all within our power to make our contribution to invigorating and strengthening our democracy." The Legion sponsors a scout troop and the auxiliary sponsors several Campfire groups.

P-T-A. ACTIVITIES IN DOUGLAS COUNTY

Fullerton—Fullerton P.T.A. held a very charming Founder's day program, tea and tree-planting ceremony was enjoyed Monday at the schoolhouse with Mrs. Donn Radabaugh chairman of the Arbor day program. The flag salute was followed by the students singing "America" and Mrs. Hugh Whipple singing "Trees" and two sycamore trees were planted, one of which was dedicated by Mrs. G. V. Wimberly to the school principal, Miss Ruth Swinney, and Judge R. W. Masters dedicated the tree given by Harry W. Booth, in honor of the past presidents and charter members of Fullerton P.T.A.

Mrs. Harold Bellows and Mrs. C. E. Jurd had charge of the refreshments. Mrs. L. Kohlhaugen, Sr., and Mrs. Foster Butler, charter members, poured.

Rose—Rose P.T.A. held a very interesting meeting Monday at the schoolhouse with Mrs. R. D. Coen, president, in charge. The hot lunches were discussed and a number of important matters regarding future activities of the association were talked over.

Plans were made for a cooked food sale to be held next Saturday, February 22, at the Gas company office. Mrs. W. E. Sullivan was appointed chairman of the sale.

Benson—Benson P.T.A. will hold its annual Founder's day program and tea next Monday afternoon at three o'clock at the schoolhouse. All mothers and friends are cordially invited to enjoy the occasion.

Every post in the county has taken upon itself a huge task in obtaining the registration of all ex-service men whether they be

Legionnaires or not. James Young, commander of Umpqua post, has issued an urgent appeal to all veterans of the world war to obtain his blanks and register next Saturday, Feb. 22. By so doing he may continue aiding his country in a possible time of need when trained men may be needed. Will you auxiliary members and you who have sons or brothers or husbands who are veterans urge them to contact Commander Young if they do not understand the registration.

Listen to the next radio program Tuesday at five-thirty. Mrs. Wimberly will present another Americanism program. And start plenty early to reach Days Creek by eight o'clock. They are preparing for one hundred so let us not fail to be there. Such eats they tell us of who have been there before. There are all too few meetings for the year left. May this be the highlight of them all. Make a special effort to attend and tell your friends. Get a carload and join the "gang."

Junior auxiliary will meet at 7 at the armory. Mrs. James Young has kindly consented to continue with this group for the present. She has been recently appointed secretary for the unit and that is a one-man job but our Louise has always been very active and no one is more willing. She will be happy to help if all the girls respond, she says. So, girls, you will all be there, won't you? Such a grand start as the group has made. Another year they will be as active as many an older Junior group.

Mrs. Tom Parkinson, radio chairman and a most enthusiastic member, consented to write this article last week and a grand job she did of it but in failing to sign her name the paper headed it with this writer's name. Indeed it is refreshing to read another's version of the unit activities and Sue is an excellent writer. Ethel Fisher, publicity chairman, who has been writing the column has been in San Francisco.

Word has just been received that Mrs. Hans Hansen, chairman of the welfare shop, is in St. Vincent's hospital in Portland receiving treatment. We extend our love to one of our most faithful members and wish her a speedy recovery.
