FORMER ROSEBURG RESIDENT CELEBRATES EIGHTY-NINTH BIRTHDAY

Mrs. Lucy Owen, former Roseburg florist, celebrated her eighty-ninth birthday anniversary at her home at 414 North Palouse street in Walla Walla, Wash., Thursday afternoon. The affair was in charge of Mrs. C. W. Caskey with Mrs. Mae Lyday and Mrs. W. Whitehead assisting.

Mrs. Owen, a native of St. Louis, Mo., resided in Roseburg for a number of years, before moving to Walla Walla. Sharing the day with her were the members of the Central Christian church quilting society as well as other members of the congregation to which she belongs, fellow members of the Order of Eastern Star and a number of friends.

The day was made doubly exciting for Mrs. Owen by the presence of a close friend, Mrs. Clinton Gorthy, of Roseburg, who celebrated her twenty-first wedding anniversary on that same day.

Gifts were presented to Mrs. Owen, the guest of honor, who despite her years, is alert, well and active. A large cake decorated with red roses was presented to her from the Eastern Star chapter and a club at Roseburg sent her a luncheon cloth. Sweet-pens and chrysanthemums, sent to Mrs. Owen in honor of the occasion, were attractively arranged about the rooms.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour 2 pints of bile juice into your bowels every day. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Then gas builds up your stomach. You get constipated. You feel sour, sick and the world looks pink.

DAILY DEVOTIONS

DR. CHAS. A. EDWARDS

The Constitution of the United States stands as a great bulwark of liberty in a world that has gone mad in a search for power. Concealed in an hour of peril for the peoples of the western world, it is still the mainstay of those who cherish the way of freedom, which is being threatened. The Constitution is not a dead relic, ready to be relegated to some dusty vault for future generations to look upon with curiosity. It is a living, working instrument that guards the liberties of one hundred and thirty million men, women and children. No dictator can arise and seize power as long as it is functioning properly. No form of despotism can rule over this nation so long as its citizens fully realize and appreciate the high privileges that are vouchsafed to them through this great document. Every man and woman, every child and youth of understanding years should be clearly taught the principles set forth in the Constitution. All should be alert to challenge any encroachment upon its powers. There should be no weakening of our faith in this instrument of freedom. Amen.

WORMS MAY BE A REASON Why Your Child Can't Gain Weight

Face the facts! It's easy for anybody, anywhere, to "catch" roundworms. And if the awful creatures are living and growing inside your child, that may be why the youngster is pale, thin, nervous. Other signs of worms are itching nose or seat, uneasy stomach, finger nail biting. Act now! Drive out roundworms before they can "nest" and cause trouble! Use Jayne's Vermifuge—America's best known proprietary worm medicine—scientifically tested and proved by over a century of use, in millions of cases. Jayne's expels stubborn worms, yet acts very gently. If there are no worms, it works merely as a mild laxative. Insist on Jayne's Vermifuge.
