NEWHOUSE-TOLDS WEDDING IS HELD AT PORTLAND HOME

At the home of the bride's great-uncle and aunt, Mr. and Mrs. John A. Cunningham in Portland, the marriage of Mrs. Harriet Ware Tolds of Marshfield and Henry Newhouse of Portland, formerly of Marshfield, was solemnized at 4 o'clock Sunday afternoon. The Rev. Richard M. Steiner of the Unitarian Church of Our Father in Portland officiated.

The wedding service was read before the fireplace which was banked in greens. A portrait of the bride's great-grandmother, Alice Hathaway Haskell Cunningham, formed the background above the fireplace. Underneath it upon the mantel was a spray of white carnations, and snappers and white candelabra. At the opposite end of the living room was a bouquet of jonquills and fine yellow tapers reflected in a mirror from a large old-fashioned bookcase.

The bride wore a powder blue dress and a matching waist-length jacket with three-quarter sleeves. The collar and cuffs were embroidered. Her hat was a blue sailor with a veil tied in a bow at the back. She wore a corsage of spring flowers. Mr. Cunningham gave his great-niece in marriage.

Miss Sally Cunningham of Portland was her cousin's only attendant. She wore a blue dress with a corsage of gardenias. Andrew Newhouse of Marshfield was his brother's best man.

Mrs. Isabelle Newhouse of Marshfield, mother of the bridegroom, wore a black dress trimmed with a gold beaded bodice and a corsage of violets. Mrs. Cunningham wore a blue and white print with a violet corsage. Miss Lois Jane Littrell of Marshfield was a guest.

Mr. and Mrs. Newhouse plan to make their home in Portland within the next year. Mrs. Newhouse is continuing supervision of her laboratory in Marshfield. She is the daughter of Mr. and Mrs. John Ware of Milton, Mass.

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve aching backache quickly, once they discover that the real cause of their trouble may be their kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 15 pints a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pain, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headache and dizziness. Frequent or painful passages with burning and stinging sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
