

ROSEBURG MERCHANTS SAY

There's Reason for Rushing-to Our

Spring Opening

FRIDAY EVENING, MARCH 21st
at 7:00

SPRING is friend to all, in whom youth and love are eternal. With the touch of a petalled hand, she makes each mortal feel a new surge of hope and happiness. "Come with me," beckons Spring, "and I will clothe you with new beauty. I will whisk light and air and brightness into your home. For I am Nature's fairest hand-maiden." Heed her plea. Follow her call. Attend our Spring Opening. Dance to the melody of Spring.
